Greetings Hornets, and welcome to the Fall 2022 semester. We are pleased for you to join us as we begin a new season of classes, campus events, and activities that are sure to bring us together in smiles, laughter and community. At Fullerton College we strive to provide a learning environment that is welcoming, supportive, and one that advances student success and equity. Over the past year, Fullerton College has redesigned instruction, support services, and our physical campus to meet the diverse needs of our diverse student body.

Fullerton College is No. 1 in transfers to Cal State Fullerton, a Military Friendly® School, and a 2022 Champion for Excellence for enrolling Black and Latinx students into transfer-level English courses. Our list of accolades is long, but our biggest achievement is witnessing the success of our students as they complete degrees, certificates, and goals.

Our fall schedule provides many new courses and the opportunity to take classes online and in-person. If you’re new to Fullerton College, I want to personally welcome you and encourage you to explore our high-quality academic programs, supportive services, and campus resources.

All first-time college students are eligible to receive two years of free tuition through the Promise Program, and our team in Financial Aid can help students understand other forms of state and federal aid available to them. Additionally, our website has a list of support services and resources such as tutoring, library services, free meals and groceries, laptop loans, and more. We also have a team of dedicated staff members at our Call Center who can answer questions and connect you to a variety of resources.

Lastly, I want to encourage you to connect with one of our many support communities, such as Umoja, Puente, Teacher Pathway, and Grads2Be, to learn about how they can support you throughout your Fullerton College journey. We can’t wait to see you on campus! Go Hornets!

Dr. Gilbert J. Contreras
Interim President

On the cover: 2022 Student of Distinction and Commencement speaker, Malia Arpon. Malia graduated with an Associate in Arts Transfer in Communication Studies.
All courses listed as ONLINE or ZOOM will require a computer and internet access.

ALL DATES SUBJECT TO CHANGE WITHOUT NOTICE
Eight Steps to Success

1. **Apply Online**
   - New students go to [www.fullcoll.edu](http://www.fullcoll.edu)
   - Continuing students — no need to re-apply
   - Returning students go to [www.fullcoll.edu](http://www.fullcoll.edu)

2. **Apply for Financial Aid**
   Follow the Steps to Financial Aid at:
   - [https://financialaid.fullcoll.edu/apply/](https://financialaid.fullcoll.edu/apply/)
   - Apply at [https://studentaid.gov/h/apply-for-aid/fafsa](https://studentaid.gov/h/apply-for-aid/fafsa) or [https://dream.csac.ca.gov](https://dream.csac.ca.gov)
     - If a student completes a FAFSA/CADAA and is eligible for the CCPG, the award will automatically be posted for the student
     - If a student does not complete the FAFSA/CADAA, they can complete an online CCPG application through [myGateway](http://myGateway). Select Financial Aid and then select California College Promise Grant
     - Continuing students — Renew your California College Promise Grant (CCPG) for Fall. Spring 2022 CCPG does NOT roll into Fall. You must complete a new 2022–2023 California College Promise Grant.

3. **Orientation**
   - Available online, no appointment needed
   - Access the orientation through your [myGateway](http://myGateway) account: click the “Fullerton” link (left side of page), then click “New and Returning Students” under the “Orientation Links” section, then click the “Fullerton College Orientation” link to start the presentation. For additional information go to [https://www.youtube.com/watch?time_continue=2&v=wjcwqY87aOk&feature=emb_logo.htm](https://www.youtube.com/watch?time_continue=2&v=wjcwqY87aOk&feature=emb_logo.htm)

4. **Placement**
   - Students are recommended to meet with a counselor for placement options prior to their enrollment in Math, English, Reading, ESL or Chemistry courses
   - New first-time college students should attend Virtual Group Advising for academic options, placement, and educational planning [https://counseling.fullcoll.edu/getting-started/new-student-1st-time-in-college/](https://counseling.fullcoll.edu/getting-started/new-student-1st-time-in-college/)
   - Math, English and Chemistry 107 F placement is conducted through the use of high school and/or college transcripts, test score results (such as the AP, IB or CAASPP) and other multiple measure processes with a counselor
   - Standardized testing is only being used for Chemistry 111AF and ESL placement. Please refer to the links “FC English, Math, and ESL Placement Guide”, “FC Reading Concurrent Support Courses Guide”, and/or “Chemistry Test Appl. System” on the Assessment Center website for updated information about the new placement process and scheduling information to take the test: [http://assessment.fullcoll.edu](http://assessment.fullcoll.edu)

5. **Counseling**
   - New first-time college students: attend Virtual Group Advising via Zoom (see Placement, Step 4)
   - Returning and Continuing students: Counselors available remotely (via Zoom or phone)
   - Schedule by calling (714) 992-7084, (press Option #1) or schedule using counseling [Online Chat](http://myGateway) feature
   - Have high school and/or other college transcripts available for your counseling appointment
   - Create a student educational program plan (SEPP) to know what classes to register for

6. **Update Personal Information**
   - Access [myGateway](http://myGateway) — Check accuracy of email address, mailing address, phone number

7. **Register for Classes**
   - Registration appointments are posted in [myGateway](http://myGateway) under “Registration Tools”
   - Go to [www.fullcoll.edu](http://www.fullcoll.edu) and click the [myGateway](http://myGateway) icon to register for classes

8. **Pay Your Fees**
   - Fees are due when you register for classes
   - Pay by credit card on [myGateway](http://myGateway)
   - Check/money order payments can be paid to the Fullerton College Bursar’s Office
   - Print schedule/bill via [myGateway](http://myGateway) for confirmation of registration and payment of classes
Parking Permits

A VALID PARKING PERMIT OR DAY PASS IS REQUIRED AT ALL TIMES, NO EXCEPTIONS

For the Fall 2022 semester only, registered students will have their semester parking permit provided to them free of charge.

Students should make sure their mailing address is correct and current in myGateway.

Fall 2022 parking permits are valid August 22, 2022 – December 31, 2022

1. **Students who register before August 1, 2022, as part of their on-line registration process, will have their permanent parking permit mailed to their address indicated in myGateway.*** In the meantime, students should print out the temporary parking permit that will be emailed to them within 24 hours of registration and display it face up in the vehicle’s driver side, lower left-hand front windshield. If students have not received their permanent parking permit in the mail by August 25, 2022 and their temporary parking permit has expired, students should report to Campus Safety Office (Building 1500) to pick up their permanent parking permit. Valid photo ID must be provided.

2. **Students who register after August 1, 2022, should pick up their permanent parking permit at the Campus Safety Office (Building 1500) within the first week of the Fall 2022 semester.*** Students should print out the 3-day temporary parking permit that will be emailed to them within 24 hours of registration and display it face up in the vehicle’s driver side, lower left-hand front windshield. Before the temporary permit expires, students should report to Campus Safety Office (Building 1500) to pick up their permanent parking permit. Valid photo ID must be provided.

3. Motorcycle permits will **NOT** be mailed out and must be picked up at the Campus Safety Office (1500 Building).

Valid parking permits are required in all lots at all times with the following exceptions:

- Parking permits not required July 6 – July 9, 2022 in Lot 10 ONLY
- Parking permits not required August 22 – August 27, 2022 (in student lots ONLY)

One-day parking permits can be purchased from the yellow parking permit machines located in every student parking lot and the Campus Safety Office.

**Students parking in Staff Lots is NOT permitted at any time; violators will be cited.**

**Office Hours**

Monday–Thursday: 7:30 am–6:00 pm  
Friday: 8:00 am–5:00 pm  
Saturday and Sunday: Closed

*Students who need to pick up their permanent parking permit after office hours, call (714) 992-7080 ext. 0 for assistance.*

*NOTE: All temporary parking permits are emailed. It is the student’s responsibility to make sure their email address is correct and to also check both their regular email, spam and/or junk folder.*

**Refunds**

Refer to refund deadlines under REFUND POLICY in this class schedule

*Parking Permit fees **will not be refunded automatically** through myGateway
*Refunds for parking must be requested in person at the Campus Safety Office (1500 Building). Return parking permit with photo ID.
Registration Appointment Information

• Students currently enrolled in K–12 will register for the Fall term on Thursday, Aug 18 and Friday, Aug 19.
• Special Admit students must submit a completed “Special Admit Form” to the Admissions and Records Office before they can register.

When do I register for classes?
• Students can view their registration appointment time on myGateway beginning Tuesday, June 14. Log onto myGateway, go to Registration Tools, click Check Registration Appointment (CC/FC).
• Registration appointment times will be emailed to all students beginning Tuesday, June 14 and daily thereafter.

## REFUND PROCESSING FEE

A processing fee of $10.00 per term will be deducted from enrollment fee refunds. Exemptions from the processing fee are students with a fee waiver, canceled classes, or administrative drops.

*A community college district shall not refund any enrollment fee or differential enrollment fee paid by a student for program changes made after the first two weeks of instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to Section 58106 (g) where the student fails to meet a prerequisite.*

## PAY YOUR FEES

- Fees are due IMMEDIATELY. Fullerton College does not bill for unpaid registrations.
- Pay by credit card on myGateway.
- Check/money order payments must be paid to the Bursar’s Office.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor’s Office Tax Offset Program (tax lien).
Registration Policies/Procedures

ADMISSION ELIGIBILITY
Applications for admission are accepted for:
• High school graduates, high school proficiency, or GED recipients, or students at least eighteen years of age.
• Title IV Financial Aid requirements differ. For Title IV financial aid, a high school diploma, high school proficiency, or GED is required.

For more information:
• Students in K–12 who qualify for the Special Admit Student Program.
• International Students who are eligible under a student visa (F-1).

FOR INFORMATION ON THE APPLICATION PROCEDURE FOR INTERNATIONAL STUDENTS, CONTACT THE INTERNATIONAL STUDENT CENTER AT isc@fullcoll.edu, 1-714-992-7078, OR VISIT http://isc.fullcoll.edu/future/admissions/.

ADD CODES
The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the class to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

ATTENDANCE/PARTICIPATION
Attendance/Participation at the first class meeting is required. Failure to attend may result in the instructor dropping the student from the class.

CAMPUS HOLDS
Fullerton College may withhold diplomas, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

CLASS CANCELLATIONS
Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COREQUISITES (Concurrent Enrollment)
A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

COURSE REPETITION
If you are repeating a course due to a substandard grade or W (for a non-repeatable course):
• Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
• Students may file a “Petition to Repeat a Course” with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances. Go to https://admissions.fullcoll.edu/downloadable-forms/.
• When repeating a course with a substandard grade and submitting a “Course Repeat Adjustment Request” form, the last grade earned will count toward the grade point average and the previous grade(s) will be discounted or forgiven.
• Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

If you are repeating a course that allows repeats, whether you received a grade or W:
• A course may only be repeated the number of times indicated in the catalog.
• Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course.
• Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses.) If a student receives a W in one of the courses within a group they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.
• Students may file a “Petition to Repeat a Course” with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

DUPLICATE COURSE
Students may not register for two classes with the same course number and title.

MAXIMUM UNITS/HOURS
A maximum unit load for any student is 19 units per term. Students may register over 19 units only with a counselor’s approval.
Registration Policies/Procedures (continued)

MILITARY WITHDRAWAL
A student called to military service during a semester in progress should complete and submit an Extenuating Circumstances petition to have a “MW” (military withdrawal) noted on the student's academic transcript. A copy of military orders is required. Go to https://admissions.fullcoll.edu/extenuating-circumstances-petition/.

OPEN ENROLLMENT
It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

PASS/NO PASS
If a course is listed in the College Catalog as “Letter Grade or Pass/No Pass Option,” a student may choose to take the course with a P/NP grade. Log in to myGateway, go to “Registration Tools” and click “Update Grade to Pass/No Pass.” Once the request is submitted, the grading option is not reversible.

PAY YOUR FEES
Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (deducted from your tax refund).

PETITIONING CLOSED CLASSES
Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through myGateway. Students are not officially registered until the class has been added online.

PREREQUISITES
A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

PRIVACY RELEASE
Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student’s prior consent, items in the category of public information, which include the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Any student who wishes to have this information restricted must submit a written request to the Admissions and Records Office. Directory information will then only be provided to individuals who have a current written and signed release from the student.

SCHEDULE/BILL RECEIPT
The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in myGateway. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student’s Schedule/Bill receipt prior to providing services.

TIME CONFLICT
Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, even if the instructor will allow it. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

VARIABLE UNIT COURSES
Units may be increased/decreased no later than the withdrawal deadline of the course. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

WITHDRAWAL POLICY
While an instructor may drop a student for excessive absences, it is the student's responsibility to officially withdraw from a class. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through myGateway.

Full-Term Classes
First two weeks of the term: The student or the instructor may initiate a drop from the course. No notation shall be made on the student's academic record. For the exact date, refer to the “Calendar of Important Dates” in this class schedule.

3rd week through 12th week: The student or the instructor may initiate a withdrawal. A W shall be recorded on the student's academic record.

Short-Term Classes
For all short-term classes, refer to the online searchable class schedule or your schedule/bill for specific course deadline dates. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice in order to comply with State accounting regulations.

Open Entry Classes
Whenever possible, Open Entry classes shall be treated according to the regulations for Full-Term Classes and Short-Term Classes.

Failure to officially withdraw from a class may result in a grade of F or NP.
Residency for Tuition Purposes
(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. It is the student’s responsibility to provide documentation that clearly demonstrates both physical presence and the intent to establish California residence. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident for tuition purposes. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of intent to make California one’s home. Generally, California residency is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant’s parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

3. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students holding visas which do not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval), must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

Factors Considered to Determine Residency
A person’s presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- Being licensed to practice a profession in California
- Filing California State Income taxes as a resident
- Having an active checking and/or savings account in California
- Having paid nonresident tuition in another state
- Owning residential property in California for personal use
- Possessing a California Driver’s License and vehicle registration in California
- Showing proof of employment in California
- Possessing a divorce decree issued in California
- Voting in California
- Showing California as “home of record” on military records (DD214 or Leave and Earnings Statement)
- Being an active military member, military veteran, or a military dependent

IMPORTANT: Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

Nonresident Student
A student’s residence status is determined at the time of application. A student classified as a nonresident must pay nonresident tuition in addition to the enrollment fee and other fees (including a Capital Outlay Fee per Ed Code 76141) for credit classes.
Residency for Tuition Purposes (continued)

Assembly Bill 540

Any student, other than one with a nonimmigrant visa status, who meets all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted T or U visa status are also exempt per AB1899).

The requirements are:

- Attended high school in California for three or more years, OR
  Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance, OR
  Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years.

- Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term, OR
  Attained an associate degree from a California Community College, OR
  Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.

- In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

- All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available on the Admissions and Records website https://admissions.fullcoll.edu/residency/#ab540 and Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).

- Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the federal Immigration and Nationality Act and demonstrates a financial need for the exemption.

- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.

- Attended a public or private secondary school in California for three or more years.

- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.

- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.

- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption; i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.
DON’T DELAY YOUR REGISTRATION
Check for Prerequisites early

Before you enroll check to see if your class has a prerequisite.
Prerequisites must be cleared prior to enrollment.
Plan ahead and take care of this as early as possible to avoid waiting in long lines and delaying your enrollment in important classes.

How to clear a prerequisite

You are automatically cleared if:
- you are currently enrolled in the appropriate prerequisite course at Cypress College or Fullerton College
- you have completed the appropriate prerequisite course at Cypress College or Fullerton College
- you have tested into a particular course level in English, ESL, Reading and Math by taking the appropriate placement test
- for Fullerton College chemistry students: you have taken the Chemistry assessment test at Fullerton College and received the appropriate score for placement

You can also be cleared by:
- Providing high school transcripts, transcripts from another college and/or other appropriate documentation indicating completion of the prerequisite course. Classes fill up very quickly, it is recommended that you take care of requesting the clearance as soon as possible to avoid possible delays prior to your enrollment of classes. Unofficial documents can be sent to COUNdocs@fullcoll.edu for clearance purposes ONLY. Please note unofficial documents are not kept on file.

Priority Registration for the Military

Veteran Students who are members or former members of the Armed Forces of the United States and have met college enrollment priority requirements are granted priority registration.

For priority registration approval, submit your military ID, DD214, or N.O.B.E. (Notice of Basic Eligibility) to the Veterans Resource Center.

For more information, call 1-714-992-7102 or email veterans@fullcoll.edu
ATTENTION STUDENTS!
Please read the following, it may impact your schedule planning!

IMPORTANT COURSE REPETITION POLICY

IF YOU ARE REPEATING A COURSE DUE TO A SUBSTANDARD GRADE OR W (for a non-repeatable course)

► Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
► Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
► When repeating a course with a substandard grade and submitting a Course Repeat Adjustment Request, the last grade earned will count toward the grade point average and previous grade(s) will be discounted or forgiven.
► Only the first two substandard grades may be excluded in GPA calculations. The student’s permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, insuring a true and complete academic history. (Refer to Appeals Petition under College Policy and Rules in the FC Catalog)
► Petitions may be filed with the Admissions and Records Office; refer to the Admissions and Records home page and navigate to “FORMS” to access and submit the online petition.

IF YOU ARE REPEATING A COURSE THAT ALLOWS REPEATS, WHETHER YOU RECEIVED A GRADE OR W

► A course may only be repeated the number of times indicated in the catalog.
► Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course. Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

Incomplete (I) Grades
If an Incomplete (I) is received, the student cannot re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

In Progress (IP) Grades
If an In Progress (IP) is received, the student must re-enroll in the course the following term.

FOR ADDITIONAL INFORMATION PLEASE REFER TO THE “ACADEMIC INFORMATION” SECTION OF THE FC CATALOG.

GET YOUR CLASS “FASTPASS”

Priority Registration gives students an earlier registration date and/or time. After you have applied at Fullerton College, follow these steps to get ahead of the line. Learn more at counseling.fullcoll.edu.

NEW STUDENTS:
In order to qualify for Priority Registration, new students must complete online orientation, the assessment process and meet with a counselor to develop a Student Education Program Plan (SEPP).

RETURNING STUDENTS:
Returning students are those who have not attended Fullerton College or Cypress College for one or more semesters. They must complete the online orientation, the assessment process, meet with a counselor to develop a Student Education Program Plan (SEPP) and:
• Be in good academic standing
• Have completed less than 100 units
Frequently Asked Questions...

What is a waitlist?
A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does NOT guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on a waitlist?
Log on to myGateway, go to “Registration Tools” and click “Add or Drop Classes”. Enter the CRN of the class. If the class is closed you will be given the option of adding to the waitlist if waitlist seats are available. To place yourself on the waitlist, use the drop-down menu and select “Waitlist”, then click “Confirm Your Choices”.

Can I add to more than one waitlist?
Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

How can I monitor my waitlist position?
Log on to myGateway, go to “Registration Tools” and click “Check Waitlist Status”. If a seat is available for you to attempt to add, you will see a date and time in the “Notification Expires” field.

How will I know if a seat in the class becomes available while I am on the waitlist?
If a seat becomes available, you will be notified via “Announcements” on myGateway. We strongly recommend that you check your Personal Announcements daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file. (See the following email notice)

Important Student Email Information
Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the “Announcements” window in myGateway for messages regarding waitlisting. The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.

How do I add the class once I am notified via “Announcements” or Waitlist email notification?
Log on to myGateway, go to “Registration Tools” and click “Add or Drop Classes”. Go to the specific waitlisted class in your list of classes and use the drop-down box to register for the course. Don’t forget to click “Confirm Your Choices” and “Complete Registration”.

How long do I have to add the class when a seat is available and what if I miss my 48 hour deadline to add?
Once a seat becomes available you have 48 hours to add the class OR until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

What if I am on a waitlist and no seat becomes available before the first class meeting?
Waitlisting does NOT guarantee enrollment into any class. You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student’s responsibility to officially register into the class through myGateway.

What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?
IMPORTANT — You cannot add a course with an Add Code until the first class meeting. Log on to myGateway, go to “Registration Tools” and click “Add or Drop Classes”. Go to the specific waitlisted class and click “Waitlisted – Drop” to drop from the waitlist. Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code. Don’t forget to click “Confirm Your Choices” and “Complete Registration”. It is the student’s responsibility to verify class enrollment. Print your schedule/bill and make sure there is an “RW” registration status next to each course.
**SHORT TERM CLASSES**

A student may register for a Short Term Class online through myGateway:
- **Prior to the first day of class** ................. If the class is OPEN, an Add Authorization Code is **not required**.
- **Starting the first day of class** .................. An Add Authorization Code is **required for all classes**.

For all short-term classes, refer to the online searchable class schedule or your schedule/bill for specific course deadline dates.

**SCHEDULE SUBJECT TO CHANGE WITHOUT NOTICE**

---

**FIRST SESSION**  
**AUGUST 22 THROUGH OCTOBER 16**

**Adding a Waitlisted Course Using an Add Code**

- You cannot add a waitlisted course with an Add Code until the first class meeting.
- Once you receive the Add Code from the instructor, log on to myGateway and go to "Registration tools" and click “Add or Drop Classes”.
- Go to the CRN you are waitlisted in and click “Waitlisted–Drop” to drop from the waitlist.
- Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code.
- Click “Confirm Your Choices” and “Complete Registration”.
- Print your schedule/bill and make sure there is an “RW” registration status next to each course. It is the student's responsibility to verify class enrollment.
- Please be advised that Add Codes cannot be used before the first day of class or AFTER the add deadline for the course.
Fullerton College offers a wide variety of classes on weekends. Classes are offered on **Friday, Saturday or Sunday** and **classes are full-term unless otherwise noted**. All admissions and registration procedures apply.

**HOLIDAYS**
- Mon, Sept 5
- Fri, Nov 11
- Thurs, Nov 24 – Sun, Nov 27

Labor Day Holiday (Sat/Sun classes will meet Sept 3 & 4)
Veterans Day Holiday (Sat/Sun classes will meet Nov 12 & 13)
Thanksgiving Holiday (Sat/Sun classes will **not** meet Nov 26 & 27)

A student may register for a Weekend Course online through **myGateway**:

**Prior to the first day of class**

If the class is **OPEN**, an **Add Authorization Code** is **not required**.
If the class is **CLOSED**, you may add onto an open waitlist.

**Starting the first day of class**

An **Add Authorization Code** is **required for all classes**.

Refer to the online searchable class schedule or your schedule/bill for specific course deadline dates.

**SCHEDULE SUBJECT TO CHANGE WITHOUT NOTICE**

**Students: Get ready for Fall learning success**

**Want to prepare for your Fall classes?**

Enroll in these self-paced, free workshops conducted through Canvas:

- **Becoming an Effective Online Learner** is a self-paced, short workshop that will assist you in being successful in your classes.
- **Canvas Student Orientation** is a short self-paced workshop in how to navigate and use Canvas.

The **Academic Support Center** offers Canvas Workshops and a variety of other student support workshops online. Visit [ASC.fullcoll.edu](http://ASC.fullcoll.edu) for more information.

Look for links to join all of these in the dashboard announcements in Canvas.
Convenient, flexible, and accessible on and off campus.  
Same application, registration, credits and fees as on-campus courses.

IMPORTANT:

- Distance Education courses may require course log-in by a required date, on-campus attendance for an orientation meeting, and/or taking tests and exams. Refer to Schedule of Classes for course specific information.

- Distance Education courses may require the use of proctoring software for exams or other additional software.

- Distance Education courses are taught using Canvas. Courses may not be available or show up on Canvas until the first day of the semester.

- Students are responsible for the compatibility of personal devices.

- Basic skills include using email, a word processing program, saving documents, taking screenshots, uploading documents, downloading documents, and navigating the internet.

**PAY YOUR FEES**

- **Fees are due IMMEDIATELY.** Fullerton College does not bill for unpaid registrations.
- Pay by credit card on myGateway.
- Check/money order payments can be submitted by mail to the Bursar office.
- Cash payments — check the campus website for in-person service hours and check-in procedures before coming on campus.
- Print schedule/bill via myGateway for confirmation of registration and payment of classes.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance, non-participation, or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (deducted from your tax refund).
Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.

Fullerton College
Fall 2022 Schedule of Classes
August 22, 2022 – December 10, 2022

The College Catalog and Class Schedule must be prepared well in advance of the time period it covers; therefore, changes in some programs and policies may occur. Courses as described are subject to change without notice, and some listed courses are not offered every term. Courses offered in Fall, Spring or Summer only will be indicated under the title. For questions about the frequency of course offerings, contact the appropriate division office. In addition, some courses or programs that are offered may have to be cancelled because of insufficient enrollment, elimination or reduction in programs, or for any other reason considered sufficient by the College president or designee.

## Pre-Nursing Science Sequence

The Pre-Nursing Science Sequence shows the progression of Fullerton College science courses that students should take to complete the prerequisites for entrance into most nursing programs. Almost all nursing schools require the core sequence of anatomy, physiology, microbiology, and a semester of chemistry. Most Bachelors’ in nursing programs require a second semester of chemistry. Other entrance requirements (GE pattern, sociology, psychology, math) differ, so you should contact a Counselor and the specific school you would like to enter to determine the appropriate coursework.

### Anatomy and Physiology

**ANAT 231 F**

General Human Anatomy

**Prerequisite:** MATH 040 F with a grade of C or better or math skills clearance

This course includes a logical analysis of body tissues, organs, and systems. Lab work includes study of preserved specimens and models.

- Students that have passed MATH 041 F with a grade of C or better are eligible to enroll in this course

### DART 153 F
#### Introduction to Digital Sculpting with ZBrush
3 Units
Advisory: DART 100 F and DART 104 F
This course uses the 3D modeling software ZBrush combined with touch sensitive drawing tablets and monitors. The student will create digital sculpted models for entertainment-based productions.
- CRN: 13469
- Sec: 001
- Time: 9:00-10:00 A
- Days: S
- Instructor: Mack, Jillian
- Bldg.-Room: ZOOM
- **ZOOM CLASS:** The above class requires mandatory attendance at “live” (synchronous) virtual class sessions on CANVAS/ZOOM with the instructor during the days and times listed in the class schedule. For class-specific requirements, contact the instructor.

### DART 157 F
#### Introduction to 3D Printing and Fabrication
3 Units
Transfer: CSU
This course is an introduction to the real-world usage of 3D printers. From the manipulation of 3D models, using Autodesk MeshMixer, slicing and outputting files to a variety of 3D printer for manufacturing, to their refinement using traditional hands-on techniques, such as sanding, kit-basing, mold making and casting to painting and photography for presentation.
- CRN: 13382
- Sec: 001

**AUTO 050 F**

Automotive Specialty Practice

Corequisite: AUTO 060 F or AUTO 085 F or AUTO 070 F or AUTO 073 F or AUTO 081 F or AUTO 082 F or AUTO 083 F or AUTO 084 F or AUTO 086 F or AUTO 088 F or AUTO 089 F or AUTO 090 F or AUTO 091 F, with a grade of C or better

This course covers basic electrical and electronic concepts, batteries, starting and charging systems, body computer systems, and passive restraints. Topics addressed on the National Institute of Automotive Service Excellence (ASE) Electrical and Electronic Systems (A6) test will be emphasized.

**AUTO 065 F**

Automotive Electrical and Electronic Systems

Advisory: AUTO 131 F or equivalent work experience

This course covers basic electrical and electronic concepts, batteries, starting and charging systems, body computer systems, and passive restraints. Topics addressed on the National Institute of Automotive Service Excellence (ASE) Electrical and Electronic Systems (A6) test will be emphasized.
### AUTO 070 F
**Engine Reconditioning**

**Prerequisite:** AUTO 081 F with a grade of C or better or equivalent work experience

This course concentrates on in-vehicle engine repair, maintenance, and the associated repair documentation. This course covers engine operating principles, nomenclature, design, inspection, diagnostic, and mechanical repair procedures of automotive engines. Engine repair techniques are reinforced through laboratory vehicle repair projects. Students may be assigned vehicle repair projects on laboratory, customer and student vehicles. All vehicle projects are subject to review and approval by the instructor.

- **CRN:** 13098
- **Instructor:** Zepeda, Charles
- **Dates:** 8/22-12/10
- **Time:** 3:05-6:15 P
- **Room:** Zepeda, Charles 900-913
- **Type:** HYBRID

**HYBRID CLASS:** The above class uses Canvas for online lecture. The laboratory (lab) portion of the class will be held IN PERSON on the Fullerton College campus in the room indicated. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus check-in station, wearing masks, and social distancing. The lecture portion of the class requires weekly online coursework.

### AUTO 073 F
**Brake Systems Repair**

**Prerequisite:** AUTO 083 F with a grade of C or better or equivalent work experience

This course covers the operation, nomenclature, diagnosis, adjustment, and repair procedures of automotive brake systems including electronically-controlled anti-lock braking systems. Instruction for this class will closely parallel topics addressed on the National Institute for Automotive Service Excellence (ASE) Brakes (A5) examination.

- **CRN:** 13097

### BIOL 109 F
** Genetics and Biotechnology in Society**

- **Transfer:** CSU, UC Credit Limitation
- **Course Description:** This course covers the basic concepts of transmission genetics and molecular biology. Learn about the inheritance of genetic traits, the applications and ethical implications of reproductive technology, genomics, and biotechnology in medicine and agriculture.
- **Prerequisite:** MATH 040 F with a grade of C or better or assessment through the college's multiple placement processes
- **Advisory:** BIOL 101 F or BIOL 190 F and BIOL 190LF or AP Biology with a grade of 3 or better on the placement exam
- **Instructor:** Wu, Jo Wen
- **Time:** ONLINE
- **Dates:** 8/22-12/10
- **Location:** CANVAS
- **CBE:** The above class is conducted ENTIRELY ONLINE and uses CANVAS. For class information, an email will be sent out by the instructor, to all enrolled students prior to the start of class. Students must log onto this class in CANVAS by the SECOND DAY or may be dropped. For class-specific requirements, contact the instructor at jwu@fullcoll.edu.

### BIOL 170 F
**Organismal Biology**

- **Prerequisite:** MATH 040 F with a grade of C or better or assessment through the college's multiple placement processes
- **Advisory:** BIOL 101 F or BIOL 190 F and BIOL 190LF or AP Biology with a grade of 3 or better on the placement exam
- **Course Description:** This course will familiarize students with the diversity and biology of living organisms, with emphasis on the evolution of physiological adaptations. Field trips outside regularly-scheduled class times are required.
- **Instructor:** Allen, Maala
- **Time:** IN-PERSON CLASS:
- **Dates:** 8/22-12/10
- **Location:** 400-428
- **CBE:** The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to www.fullcoll.edu/return/safety-first.

### BIOL 190 F
**Introduction to Biotechnology**

- **Transfer:** CSU, UC
- **Course Description:** This course is an introduction to biology and biotechnology. Topics will include an introduction to chemistry and cells, molecular biology, genetics, recombinant DNA and protein methods, biotechnology applications, and legal/ethical issues surrounding biotechnology.
- **Instructor:** Rosales, Kimberly
- **Time:** ONLINE
- **Dates:** 8/22-12/9
- **Location:** CANVAS
- **CBE:** The above class is conducted PARTIALLY ONLINE via CANVAS and also requires mandatory attendance at in-person class sessions with the instructor during the days and times listed in the class schedule. For more information, go to www.fullcoll.edu/return/safety-first.

### BIOL 190LF
**Introduction to Biotechnology Lab**

- **Transfer:** CSU
- **Corequisite:** BIOL 190 F with a grade of C or better
- **Course Description:** This course is designed to provide students with training in the skills and applications commonly used in biotechnology and molecular biology laboratories.
- **Instructor:** Dimitratos, Spiridon
- **Time:** ONLINE
- **Dates:** 8/22-12/10
- **Location:** 400-426
- **CBE:** The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to www.fullcoll.edu/return/safety-first.

### BIOL 191 F
**Biotechnology A - Basic Laboratory Skills**

- **Transfer:** CSU
- **Course Description:** This course provides an introduction to the fundamental skills necessary for any biotechnology laboratory. Skills include maintenance of an industry standard notebook, preparation and sterilization of solutions, reagents, and media; utilization of good aseptic technique, proper use and maintenance of laboratory equipment, adherence to quality control protocols, and laboratory safety regulations. Compliance with industry standards and regulations will be incorporated into course procedures.
- **Instructor:** Dimitratos, Spiridon
- **Time:** ONLINE
- **Dates:** 8/22-12/10
- **Location:** 400-426
- **CBE:** The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to www.fullcoll.edu/return/safety-first.

### BIOL 192 F
**Biotechnology B - Protein Biochemistry**

- **Transfer:** CSU
- **Prerequisite:** BIOL 191 F with a grade of C or better
- **Course Description:** This course is designed to teach the students fundamental laboratory skills used in the biotechnology industry and will focus on protein bio-manufacturing.
- **Instructor:** Dimitratos, Spiridon
- **Time:** ONLINE
- **Dates:** 8/22-12/10
- **Location:** 400-426

**BIOL 196 F**

**Tissue Culture Methods**

Transfer: CSU, UC

**Prerequisite: BIOL 191 F with a grade of C or better**

This course will introduce students to cell culture techniques that include working under aseptic conditions, sterile techniques, media preparation, quantification, and passage of cell lines. Laboratory experience prepares students for work in industry.

**BIOL 272 F**

**Cell and Molecular Biology**

Transfer: CSU, UC

**Prerequisite: BIOL 170 F and CHEM 111AF with a grade of C or better**

This integrated lecture-lab course will cover principles and applications of prokaryotic and eukaryotic cell structure and function, biological molecules, homeostasis, cell reproduction and its controls, molecular genetics, classical Mendelian genetics, cell metabolism including photosynthesis and respiration, and cellular communication.

**BIOL 274 F**

**General Ecology**

Transfer: CSU, UC

**Prerequisite: BIOL 170 F with a grade of C or better**

This course is a survey of general ecological principles, including biotic interactions, ecosystem processes, behavioral and physiological adaptations of organisms, and population and community models. Field trips, including an overnight trip, are required.

**BIOL 276 F**

**Genetics and Evolutionary Biology**

Transfer: CSU, UC

**Prerequisite: BIOL 272 F with a grade of C or better**

This course is a comprehensive survey of the genetics of living organisms, including inheritance, expression and evolutionary implications. Field trips may be required.

**BIOL 297 F**

**Biosciences Internship**

Transfer: CSU

This course provides students the opportunity to gain experience in a governmental agency, university, research institute, clinical or biosciences-related industry. The student is ultimately responsible to find the internship, but the faculty advisor will work with the student to guide them through the process.

- **PASS/NO PASS/LETTER GRADE OPTION**

**BUS 101 F**

**Personal Financial Management**

Transfer: CSU

This course APPROVED for Math General Education: Area B2 and Cal State Gen Ed Area B4.

Learn about personal finance, reducing debt, and accumulating income while processing towards your degrees.

**BUS 101 F**

**Personal Financial Management**

Transfer: CSU

**Prerequisite: MATH 020 F with a grade of C or better, or any previous algebra course or math skills clearance**

This course provides a goal-oriented approach to personal financial management covering the proper management of personal incomes and expenditures, practice computational skills, reason quantitatively, and explain and apply mathematical reasoning concepts to solve problems experienced in daily or professional life related to money/finance. Students will create a personal financial plan, develop a budget, perform financial calculations, preview income tax effects and strategies, determine credit risk management, perform investment analysis, analyze risks and alternatives, become familiar with financial products and markets, retirement planning and estate planning.

### CHEM 103 F
Chemistry in a Changing World

**Transfer:** CSU, UC Credit Limitation

This course is intended for non-science students seeking general education credit in a physical science course without a laboratory. Course emphasizes basic principles of chemistry and prepares students by developing thinking skills that can be applied to challenges in a changing world.

**ONLINE CLASS:** The above class is conducted ENTIRELY ONLINE and uses CANVAS. For class information, an email will be sent out by the instructor, to all enrolled students prior to the start of class. Students must log onto this class in CANVAS by the SECOND DAY or may be dropped. For class-specific requirements, contact the instructor at irauda@fullcoll.edu.

---

**Attention Chemistry Students**

**Did you know that CHEM 107 F is a PREREQUISITE for CHEM 111AF?**

Students planning to take CHEM 111AF must take CHEM 107 F or challenge the course by passing a proficiency exam. For exam info: assessment.fullcoll.edu or CHECK WITH ASSESSMENT CENTER IN ROOM 3023.

### CHEM 107 F
Preparation for General Chemistry

**Transfer:** CSU, UC Credit Limitation

**Prerequisite:** MATH 040 F with a grade of C or better or by assessment through the college’s multiple measures placement processes

**Advisory:** MATH 141 F or MATH 141HF or MATH 143 F

This course is intended to prepare students for the general chemistry sequence (CHEM 111AF and CHEM 111BF). Problem solving strategies are emphasized. Students with weak, dated or no chemistry background are particularly encouraged to enroll.

The math prerequisite has changed for general chemistry...

Students must first complete college-level algebra before enrolling in CHEM 111AF:

**MATH 141 F**

**MATH 141HF**

**MATH 143 F**

Or equivalent

---

**CHEM 111AF**

**General Chemistry I**

Transfer: CSU, UC

Prerequisite: CHEM 107 F with a grade of C or better, or a passing score on the Chemistry Proficiency Test and MATH 141 F or MATH 141HF or MATH 143 F, with a grade of C or better, or by assessment through the college’s multiple measures placement processes.

This course is the first semester of a two-semester sequence designed to provide students with a foundation in general chemistry needed for subsequent courses. Lecture topics include chemical reactions and stoichiometry, thermodynamics, chemical structure and chemical periodicity, chemical bonding, molecular structure, gases, physical properties of solids, liquids and solutions, and organic chemistry. The laboratory sequence will support the above topics. Students planning to take this course MUST take CHEM 107 F or challenge the course by passing a proficiency exam.

### CHEM 111BF General Chemistry II

**Prerequisite:** CHEM 111AF with a grade of C or better

This course is the second semester of the general chemistry sequence. More advanced topics in general chemistry are emphasized, including kinetics, equilibria, acids and base, thermodynamics, electrochemistry, transition metals, and coordination compounds, and nuclear chemistry. The laboratory sequence will support the above topics.

For more information or to book a training please contact Dr. Tom Chiaromonte

**Child Development and Educational Studies**

#### CDES 115 F

**Introduction to Early Childhood Education Curriculum**

Transfer: CSU

This course examines the teacher’s role in supporting the essential role of play in meaningful learning, appropriate curriculum and environments for young children from birth to age six. This course will include an introduction to art, science, math, language literacy, creativity, social and emotional development.

### Forensics

**COMM 138 F**

**Forensics**

This course trains students to participate in intercollegiate speech tournaments and public community programs. Topics include expository speaking, persuasive speaking, impromptu and extemporaneous speaking, oral interpretation and public community programs. Topics include expository speaking, persuasive speaking, impromptu and extemporaneous speaking, oral interpretation and public community programs. Students who choose debate engage in team-based competition focused on creative argumentation and evidence-based reasoning.

Forensics welcomes competitors of all experience levels, from no experience to varsity, to come find which event is meant for you. Join COMM 138 F Forensics and be a part of something great. **JOIN FORENSICS**

#### What is Forensics?

Forensics, also known as speech and debate, offers students the opportunity to gain an advantage in their personal and professional life by enhancing critical thinking and public speaking skills.

Students participate in school-sponsored travel to regional colleges and universities to put their skills to the test against similarly skilled students at other campuses.

Adding a Waitlisted Course Using an Add Code

- You cannot add a waitlisted course with an Add Code until the first class meeting.
- Once you receive the Add Code from the instructor, log on to myGateway and go to “Registration tools” and click “Add or Drop Classes”.
- Go to the CRN you are waitlisted in and click “Waitlisted – Drop” to drop from the waitlist.
- Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code.
- Click “Confirm Your Choices” and “Complete Registration”.
- Print your schedule/bill and make sure there is an “RW” registration status next to each course. It is the student’s responsibility to verify class enrollment.
- Please be advised that Add Codes cannot be used before the first day of class or AFTER the add deadline for the course.

COSM 060 F

**ATTENTION STUDENTS IN ESL 082 F (CRN 10775), 083 F (CRN 10778), 184 F (CRN 10665), and 190 F (CRN 10666) — DAY SECTIONS**

**ESL WEEKLY ARRANGED LAB HOUR (WALH) INFORMATION**

ESL 082 F, 083 F, 184 F, and 190 F include an hour of lab designed to help students successfully achieve the course learning outcomes. Students in the day sections (CRN 10775, 10778, 10665, and 10666) are required to attend one arranged lab hour every week in the Skills Center (Building 800 — Room 801: South Lab) starting the first week of the semester.

It is important to be aware of the following information about the weekly arranged lab hour (WALH):

- Students must attend a one-hour orientation in the Skills Center during the first week of the semester to avoid being dropped from the course.
- Students do not need to wait until the first day of class to attend the orientation, and students who are petitioning to add one of these ESL courses should complete the orientation during the first week as well.
- Every week of the semester, including the first week, students must complete the arranged lab requirement at the Skills Center during the following hours:

<table>
<thead>
<tr>
<th>MONDAY</th>
<th>TUESDAY</th>
<th>WEDNESDAY</th>
<th>THURSDAY</th>
<th>FRIDAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>1:25 pm – 2:50 pm</td>
<td>1:25 pm – 2:50 pm</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

- To attend the first week orientation, students should go to the Skills Center (located on the west side of the library building) during the hours listed above.
- They will receive the first week orientation assignment for their level. They must complete this activity and then ask the lab instructor to check it.
- Students may not attend the arranged lab during any time when they are scheduled to be in another class in Fullerton College, Cypress College, or NOCE.
- In accordance with the policies of the instructor, department, and the division, students who do not attend lab every week may be dropped from the course.
- Students who have questions should contact their instructor via email or the Humanities Division office at (714) 992-7036.

Students in the night sections (ESL 082 F — CRN 10781, ESL 083 F — CRN 10784, ESL 184 F — CRN 10872, and ESL 190 F — CRN 10873) will complete their weekly lab activities as part of their scheduled class time. Contact your instructor for more details.

Fullerton College Honors Program

The Honors Program offers students small classes with dedicated and engaged faculty. Most honors classes meet the general education requirements for most majors and include high impact practices like seminar discussions, presentations, and research. Courses are designed not to be harder than the traditional course, but to allow students to dive deeper into the material with a student-centered focus.

Students who complete the Honors Program and meet all transfer requirements will have priority consideration for admission to specific four-year institutions. Fullerton College is a member of the Honors Transfer Council of California.

Requirements for Membership: Minimum 3.4 GPA in either high school or college coursework OR a faculty recommendation; veteran and returning students do not need to meet the GPA requirements; completion of the Honors Program application; apply at http://honors.fullcoll.edu

Horticulture

HORT 001 F Principles of Horticulture I 4 Units
This course covers the identification and use of ornamental plants; culture of landscape plantings and landscape design principles for basic horticultural skills in the gardening and nursery trade.

• NOTE: This course offered in Fall term only.

HORT 058 F Irrigation Controller Programming 2 Units
This is a hands-on course to provide students with the fundamentals of irrigation controller programming. Students will learn to program the most popular irrigation controllers and central control systems used in the irrigation industry.

• PASS/NO PASS/LETTER GRADE OPTION

HORT 152 F Applied Botany 4 Units
This course includes the study of plant growth and development, horticultural practices, and an overview of horticulture as a science, an art and an industry. Practical exercises and field trips are part of the lab work.

HORT 154 F Irrigation Design Transfer: CSU
Prerequisite: HORT 153 F with a grade of C or better
A course covering the principles and practices of designing residential and small commercial irrigation systems.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.

### Plant Pathology
**Course:** Plant Pathology  
**Transfer:** CSU

Composition, value and use of fertilizers, including methods and techniques in fertility analysis and horticultural suitability of soil media. Fungi, bacteria, viruses, and nematodes causing diseases of economic crops throughout the U.S. are examined in the laboratory, greenhouse, and field. For more information, go to www.fullcoll.edu/return/safety-first.

### Plant ID and Ornamental Trees
**Course:** Plant ID and Ornamental Trees  
**Transfer:** CSU, UC Credit Limitation

The study of broadleaf and conifer trees used in California landscapes, with emphasis on identification. • NOTE: This course offered in Fall term only.

### Plant Propagation
**Course:** Plant Propagation  
**Transfer:** CSU

This course covers the important aspects of sexual and asexual propagation of ornamental plant species. Propagation techniques such as cuttings, division, budding and grafting.

### Plant Pathology
**Course:** Plant Pathology  
**Transfer:** CSU

This course is an introductory study of the major plant diseases and their control. Fungi, bacteria, viruses, and nematodes causing diseases of economic crops throughout the U.S. are examined in the laboratory, greenhouse, and field.

### Fundamentals of Interior Design
**Course:** Fundamentals of Interior Design  
**Transfer:** CSU

This course covers the application of design principles and elements in planning complete interior environments. The design process will be emphasized including user requirements, design concept, basic space planning, furniture arrangement, color theory, and coordination of fabrics and surfaces. Field trips may be required outside of regularly-scheduled class times.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.
Mathematics

→ Questions about math placement?
→ Confused about which math class to take?
→ Want more information on taking math classes using Zoom, online or in a hybrid format?
→ Want information on enhanced courses?

Be sure to work with your counselor to ensure you enroll in the appropriate classes for your major and transfer plans. You can also contact the Math Department at: math@fullcoll.edu.

ONLINE RESOURCES

Almost all math classes require the use of online homework programs which come with a new textbook, or which can be purchased separately. These programs also include tutorials and other resources and can be accessed from computers on campus or from your computer at home with high speed internet access. You may wish to contact your instructor or the Math Department (math@fullcoll.edu) before classes begin to find out what online resources are used and any technology requirements for the class.

MATH LAB

The Fullerton College Math Lab will offer both in-person and remote tutoring in Fall 2022. Whether in the Lab or on Zoom, students will find instructors and qualified tutors available for assistance in solving mathematical problems or in understanding mathematical concepts at all levels. A list of the times when faculty and tutors are available to assist with specific courses will be provided. At the first class meeting, your instructor will explain how to enroll in MATH N01 F, a non-credit, zero-unit tutoring course and how to access the services.

Math Lab Hours of Operation will be posted on the Math Lab webpage: https://math.fullcoll.edu/math-lab/

MATH N01 F
Supervised Tutoring: Math
This course provides individual tutoring based on each student’s needs in mathematics and computer science. Students can go to https://math.fullcoll.edu/math-lab for more information.

Student Responsibility to Drop Classes

If you decide not to participate in classes for which you have registered, it is your responsibility to officially drop within published deadlines. If fees have not been paid, students who drop classes after the refund deadline will incur a financial obligation to the college and an administrative hold will be placed on their student record until fees are paid.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.
### MATH 100 F — Liberal Arts Mathematics

**Prerequisite:** MATH 040 F or MATH 041 F with a grade of C or better or by assessment through the college multiple measures placement processes. Some assessments may result in the student being required or recommended to take MATH 035 F as a concurrent support course instead of taking a prerequisite course.

This is a survey course with selected topics from the mathematics of finance, set theory, probability, statistics, logic or geometry, and other selected topics. This course is designed for students majoring in liberal arts, education or communication. Calculators or computers may be used for selected topics.

### MATH ONLINE, HYBRID AND ZOOM CLASSES

All math classes cover exactly the same material no matter how they are offered.

**ONLINE** classes require the use of a web-based course management system, such as MyMathLab. These are not self-paced classes. Students will need to keep up with the schedule set by the professor and check regularly for any updates. Each class will have dated assignments and tests, and students will be expected to meet those deadlines. Online classes work well for highly self-motivated students.

**HYBRID** classes meet one day a week on campus, in addition to accessing online resources and assignments.

**ZOOM** classes meet twice per week remotely with the instructor at the dates and times shown in the schedule.

Mathematics Course Sequence

This sequence shows the progression of math courses that students should take in order to complete their math requirement for the associate degree or to transfer. The type of mathematics you will be required to complete depends upon your major and/or transfer institution. The starting course can vary based on the results of the college assessment process which includes high school grades, college coursework, and other factors. Please see a counselor before enrolling to discuss placement and the mathematics sequence. You may also email math@fullcoll.edu or reference www.assist.org.

NOTES:

1. Students majoring in any business field should consult with a Counselor before taking a transferable math course. Some business programs require students to complete Calculus, others require Business Calculus. Some programs also require Statistics.
2. MATH 141 F or MATH 143 F and MATH 142 F or MATH 144 F may be taken in any order, or concurrently.
3. MATH 121 F, MATH 131 F, MATH 143 F, and MATH 144 F are enhanced versions of MATH 120 F, MATH 130 F, MATH 141 F, and MATH 142 F providing students with additional support.
4. MATH 252 F and MATH 253 F can be taken concurrently.
5. The Division offers honors courses: MATH 120HF, MATH 141HF, MATH 151HF, and MATH 152HF; and other courses in Discrete Mathematics (MATH 170 F and 171 F), Graph Theory (MATH 172 F), a course for prospective teachers (MATH 203 F), separate courses in Linear Algebra and in Differential Equations (MATH 255 F and MATH 260 F) and a series of Mathematics Seminars (MATH 290 F, MATH 290HF, MATH 291 F, MATH 291HF, MATH 295 F, MATH 295HF). Check the class schedule listings, since some of these courses are not offered every semester. For questions about course offerings, contact the Math Division.
ENHANCED COURSES

The Division offers options for students who wish additional support in their classes. MATH 121 F, MATH 131 F, MATH 143 F, and MATH 144 F are enhanced versions of MATH 120 F, MATH 130 F, MATH 141 F, and MATH 142 F, and include one additional hour of instruction where students receive assistance in test taking, time management and other strategies. Faculty also review prerequisite skills in more depth in these courses. Consult a counselor to see which option is right for you.

MATH 120 F

Introductory Probability and Statistics

Transfer: CSU, UC Credit Limitation

Prerequisite: MATH 024 F or MATH 040 F or MATH 041 F or MATH 043 F, with a grade of C or better or by assessment through the college multiple measures placement processes. Some assessments may result in the student being required or recommended to take MATH 026 F as a concurrent support course instead of taking a prerequisite course.

Advisory: READ 096 F or reading skills clearance

This course covers elementary probability, descriptive and inferential statistics. Computers and/or graphing calculators will be used for various topics. Students who receive credit for MATH 120 F may not receive credit for MATH 120HF.

MATH 130 F
Calculus for Business

Prerequisite: MATH 040 F or MATH 041 F with a grade of C or better or assessment through the college multiple measures placement process

This course includes fundamentals of analytic geometry and calculus, differential calculus, integral calculus, and selected applications of calculus as they apply to managerial planning and economics and business.

Transfer: CSU, UC Credit Limitation

4 Units

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information go to: www.fullcoll.edu/return/safety-first.
### MATH 131 F
Enhanced Calculus for Business

5 Units

**Prerequisite:** MATH 040 F or MATH 041 F, with a grade of C or better, or assessment through the college's multiple measures placement process

**Advisory:** READ 066 F or reading skills clearance

This course contains the same content as MATH 130 F, but includes a fifth unit of instruction to help students who can benefit from additional support. This course includes fundamentals of analytic geometry and calculus, differential calculus, integral calculus, and selected applications of calculus as they apply to managerial planning and economics and business.

### MATH 142 F

**Trigonometry**

**Prerequisite:** MATH 040 F or MATH 041 F, and MATH 030 F, with a grade of C or better or by assessment through the college's multiple measures placement processes. Some assessments may result in the student being required or recommended to take a concurrent support course, MATH 034 F, instead of taking a prerequisite course.

This course includes relations, inverses, identities, laws of sines and cosines, trigonometric equations, polar coordinates, and DeMoivre's Theorem.

- Students that have passed MATH 030 F and MATH 041 F with a grade of C or better are also eligible to enroll in this course. Course may be taken concurrently with MATH 141 F or MATH 141HF. Both MATH 141 F or MATH 141HF, and MATH 142 F are required for enrollment in MATH 151 F.
- A graphing calculator or similar technology may be required.

**Enhanced Trigonometry**

Transfer: CSU

Prerequisite: MATH 040 F or MATH 041 F, and MATH 030 F, with a grade of C or better, or by assessment through the college's multiple measures placement processes

This course contains the same content as MATH 142 F, but includes a fifth unit of instruction to help students who can benefit from additional support. This course includes relations, inverses, identities, laws of sines and cosines, trigonometric equations, polar coordinates, and DeMoivre's Theorem. This course may be taken concurrently with MATH 141 F or MATH 141HF or MATH 143 F. Both MATH 141 F or MATH 141HF or MATH 143 F, and MATH 142 F or MATH 144 F are required for enrollment in MATH 151 F.

**MATH 172 F**  
Graph Theory and Linear Algebra  
4 Units

**Prerequisite:** MATH 141 F or MATH 141HF or MATH 143 F, and MATH 142 F, with a grade of C or better or by assessment through the college’s multiple measures placement processes

This is one of two courses in discrete mathematical concepts needed in computer-related disciplines. Topics include the theory of graphs, trees, finite state machines, matrix algebra, vector spaces, linear transformations, and inner product spaces.

**IN-PERSON CLASS:** The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to [www.fullcoll.edu/return/safety-first](http://www.fullcoll.edu/return/safety-first).

## Microbiology

### MICR 262 F
**General Microbiology**
Transfer: CSU, UC

Prerequisite: CHEM 101 F or equivalent with a grade of C or better and a biological science lab course that includes cellular structure/function (such as ANAT 231 F, BIOL 101 F, BIOL 170 F, etc.) with a grade of C or better

This integrated lecture/lab course studies the classification, aseptic handling, metabolism, and genetics of microorganisms. Other topics include the chemotherapeutic and immunologic control of infectious disease, epidemiology, and microbial ecology.

**MUS 101 F**

**Music Fundamentals**

Transfer: CSU, UC  
This course is designed for the person whose music reading skills are non-existent or very limited. Emphasis is upon learning by tapping rhythm patterns and singing melodic materials, but includes enough basic rhythm and pitch notation, intervals, scales, meter and key signatures to make this possible.  
Prerequisite: Piano Audition  
3 Units

**MUS 102 F**

**Introduction to College Musicianship**  
(f formerly Music Reading)  
Transfer: CSU, UC  
Concurrent Corequisite: MUS 106 F with a grade of C or better  
This is an introductory course in college-level ear-training, sight-singing, and musicianship skills for the music major. This course includes developing melodic and rhythmic performance skills as well as melodic and rhythmic dictation.  
1 Unit

**MUS 103 F**

**Beginning Musicianship**  
Prerequisite: MUS 106 F with a grade of C or better  
Corequisite: MUS 107 F with a grade of C or better  
Advisory: MUSA 131 F  
This is the first course in ear-training, sight-singing, and musicianship skills for the music major. It includes developing melodic and rhythmic performance skills as well as melodic, harmonic, and rhythmic dictation.  
1 Unit

**MUS 104 F**

**Intermediate Musicianship**

*Prerequisite: MUS 103 F with a grade of C or better  
Corequisite: MUS 108 F with a grade of C or better  
Advisory: MUSA 131 F*  
This course is a continuation of MUS 103 F. It includes further developing of skills in ear-training to include chord progressions of extended length (full phrases) and with all inversions and melodic dictation of greater length to include diatonic skips utilizing different meters and minor keys with diatonic variants. The sight singing will include extended melodies with skips in diatonic chords and include minor keys with diatonic variants.  
1 Unit

**MUS 105 F**

**Advanced Musicianship**

*Prerequisite: MUS 104 F with a grade of C or better  
Corequisite: MUS 203 F with a grade of C or better  
Advisory: MUSA 131 F*  
This course is a continuation of MUS 104 F and includes developing melodic and rhythmic sight singing, along with melodic, harmonic, and rhythmic dictation.  
1 Unit

**MUS 106 F**

**Introduction to College Music Theory**

*Prerequisite: MUS 104 F with a grade of C or better  
Advisory: MUSA 131 F*  
This is the entry-level course in college music theory for music majors and includes introduction to clefs, scales, key signatures, chords, the piano keyboard, and to musical styles of major periods in music theory.  
3 Units

**MUS 107 F**

**Music Theory I**  
(f formerly Harmony)  
Transfer: CSU, UC  
Prerequisite: MUS 102 F and MUS 106 F with a grade of C or better  
Corequisite: MUS 103 F with a grade of C or better  
Advisory: MUSA 131 F  
This course is designed for the music major. It includes four-part writing, cadences, 7th chords, chord inversions, figured bass symbols, tonality, phrases, periods, non-harmonic tones, and diatonic chord progressions.

P A Y  Y O U R  F E E S

- Fees are due IMMEDIATELY. Fullerton College does not bill for unpaid registrations.
- Pay by credit card on myGateway.
- Check/money order payments can be submitted by mail to the Bursar office.
- Cash payments — check the campus website for in-person service hours and check-in procedures before coming on campus.
- Print schedule/bill via myGateway for confirmation of registration and payment of classes.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance, non-participation, or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor’s Office Tax Offset Program (deducted from your tax refund).
AUDITING COURSES
An enrolled student who intends to audit a class must file a “Petition to Audit” form by the add deadline of the class. Go to https://admissions.fullcoll.edu/downloadable-forms/. The audit fee is $15 per unit. Refer to the College Catalog for more details.

COURSE PROGRESSION
A student is expected to take courses on an accepted progressive basis. The student will not receive credit for classes which are considered lower in degree of advancement than those already taken.

(EW) EXCUSED WITHDRAWAL
Excused Withdrawal occurs when a student is permitted to withdraw from course(s) due to specific events beyond the control of the student and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances beyond the control of the student affecting his/her ability to complete a course(s).

Verifiable documentation must be presented upon petition by the student to Admissions & Records. The EW grade does not count in calculation of probation or dismissal and is not counted as an enrollment attempt for purposes of course repetition. Please note that the EW grade will count towards the Federal financial aid Satisfactory Academic Progress Calculations. A student should consult with the financial aid staff regarding any impact. Title 5 Sections 55024 (See AR 5075 Course Adds, Drops and Withdrawals).

GRADES
Grades are available via myGateway approximately two weeks after the class ends. Log in to myGateway, click Student on the left-hand side and click Student Records.

Incomplete (I) Grades
If an Incomplete (I) is received, the student cannot re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

In Progress (IP) Grades
If an In Progress (IP) is received, the student must re-enroll in the course the following term.

MATRICULATION APPEALS PROCEDURES
A Matriculation Appeals Petition may be filed for any of the following concerns:

Review of Placement Decisions
The student must make an appointment to see the Dean of Counseling. If the Dean of Counseling is unavailable within three (3) working days, the student shall take the appeal directly to the Dean of Humanities or Dean of Mathematics as appropriate. The student must include documentation and/or information to support the appeal.

Student Rights to Challenge Prerequisites and/or Corequisites
Section 55003 of Title V states: Any prerequisite or corequisite may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the district’s process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
3. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
4. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

REQUEST TO EXCLUDE D or F GRADES
If a student has previously received a D or F grade in a course taken at Fullerton College and repeats exactly the same course and earns a higher letter grade, the student may petition to exclude the D or F grade from his or her cumulative grade point average. Petitions are available online https://admissions.fullcoll.edu/downloadable-forms/. Refer to the College Catalog for complete information.

STUDENT INFORMATION
Address, phone, and email should be kept current and updated to receive important information from the college. https://admissions.fullcoll.edu/downloadable-forms/

For an accurate 1098-T Tuition Statement, it is required by the IRS that you have your legal name and SSN on file (the same name and number that is on your Social Security card.)

TRANSCRIPTS
Students should submit official transcripts to Fullerton College according to the criteria below.

High school transcripts — Students who graduated from high school in the past two years (submit to the Counseling Center).

Other college transcripts from previous colleges attended should be submitted to the Admissions and Records Office for the following reasons —

- Students who plan to graduate or complete a certificate and/or transfer from Fullerton College.
- Students who are applying for EOPS (Extended Opportunity Program & Services) in order to be evaluated for eligibility.
- Veterans collecting educational benefits (submit to the Financial Aid Office).
- Students who need to show proof of prerequisite completion (submit to the Counseling Center). Further evaluation of other college transcripts may be required by the Admissions and Records Office prior to course clearance for enrollment.
**GRADUATION REQUIREMENTS FOR THE ASSOCIATE DEGREE 2021–2022**

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION APPROVED COURSE LIST 2021–2022

IMPORTANT NOTE: Courses on this list are approved for a specific academic year which begins with the Fall 2021 semester. This list is valid through Summer 2022. New courses for 2021–2022 are listed in bold.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor’s Office for the 2021–2022 academic year. A course used in the certification process must be on the CSU GE Breadth approved list during the term in which it is taken. If a course is taken before it is approved for inclusion on the list, it cannot be certified. Similarly, a course which is taken after it has been removed from the list cannot be certified.

Previous CSU General Education Approved Course Lists are available at www.assist.org. Information is also available at the Fullerton College Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor.

CSU General Education certification is available to community college transfers who complete the majority of their lower division units at the community college. Students enrolled in high-unit majors (i.e., architecture, computer science, engineering, sciences) are often recommended not to be fully CSU GE certified but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop a student academic educational plan.

+ Courses are also listed in Area C2.
++ Courses are also listed in Area D.

Students who took an out-of-state Political Science course, please see a counselor.
Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower-division, general education courses to satisfy the transfer institution's general education requirements.

It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling either the CSU's general education requirements or those of the UC campus or college in which the student plans to transfer.

IMPORTANT NOTE: Courses on this list are approved for transfer to CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling either the CSU's general education requirements or those of the UC campus or college in which the student plans to transfer.

ASSESSMENT/ONBOARDING CENTER
3000 Bldg, Room 3023
(714) 992-7117
http://assessment.fullcoll.edu
Mon–Fri 8 am–4:30 pm, but please check our website for the most current availability

The Fullerton College Assessment Center supports students through the assessment process (AB705) by collecting transcripts (high school and other college), test scores (AP, IB or EAP), administering placement tests in English as a Second Language (ESL), Chemistry and offering Group Advising sessions.

Please see placement options below for English, Reading, Math, ESL and Chemistry course clearance.

To be placed into a transfer level English, Math, or Reading course students should do the following:

1. Assessment — Upload your personalized Assessment Submission Cover and a copy of your 11th or 12th grade high school transcript (with visible non-weighted GPA) into your MyPath portal.
   - Make sure that your Fullerton College ID number is written clearly on the transcript — this is an 8-digit number starting with the “@” sign: for example, @01234567. Course grades and GPA must also be legible.
   - Also include any test scores you may have available, such as the AP, IB, or EAP/CASSPP.
   - Make sure your Fullerton College ID number is written clearly on these documents.
   - If you cannot access your high school transcripts, make an appointment with a counselor to discuss your options.
   - International high school and college transcripts will require special evaluation and may not be adequate to use for course placement. Please contact the Counseling Department for assistance.

2. To be placed into an ESL course or Chemistry 111AF course students will need to take our assessment test. All placement testing is by appointment only. Walk-in testing is NOT available. Please visit the assessment website assessment.fullcoll.edu to schedule your assessment and view sample questions.

Upon completion of the assessment/orientation process students will attend a Group Advising session.

Please visit our website assessment.fullcoll.edu for more information.

CHILD DEVELOPMENT LABORATORY SCHOOL

The Child Development and Educational Studies Laboratory School has been in continual operation since 1959 and is an important component of the Child Development and Educational Studies Department and Social Science Division. The Lab not only provides a quality educational environment for pre-school aged children and their families it also serves as a training and demonstration school for students interested in the fields of Child Development and Early Childhood Education.

We serve families without regard to sex, race, religion, ethnicity or sexual preference and make every effort to accommodate children with varying abilities.

The Lab School is open year round, Monday through Friday, 7:30 am–6 pm but is closed for specific campus holidays. All children in attendance receive a nutritious breakfast, lunch and afternoon snack.

There is typically a waiting list to attend the Lab School. Preference is given to Fullerton College students, faculty and staff, however, families from the community are strongly encouraged to apply.

For information about enrollment, tuition fees or tuition assistance please call (714) 992-7069.

Fullerton College offers financial assistance to eligible students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Stafford Loans, Cal Grants B & C, Student Success Completion Grant, Federal Work-Study, Chafee Grant, and the California College Promise Grant.

- Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at https://studentaid.gov/h/apply-for-aid/fafsa. If you are undocumented or a non-resident student who qualifies for non-resident exemption under AB 540, complete the California Dream Act Application (CADAA), in lieu of the FAFSA, at https://dream.csac.ca.gov/. (Citizens and eligible non-citizens that are eligible for AB 540 must complete the FAFSA.)
- The best time to apply is between October 1 to March 2; however, you may apply at any time.
- Apply for the California College Promise Grant (CCPG) by completing a FAFSA or CADAA or on myGateway. Please note that the CCGP only covers enrollment fees; students must pay health fees and any material fees.
- Ensure that you are meeting the Satisfactory Academic Progress (SAP) policy to remain eligible for financial aid (https://financialaid.fullcoll.edu/wp-content/uploads/sites/77/2021/04/SAP-Policy-2021-2022.pdf). SAP is determined at the end of each semester for the subsequent semester.
- The cost of attendance (COA) at Fullerton College will vary depending on the student’s status of living at home with parent or living off-campus. The academic year COA for a full-time student (12 units or more) living at home with parent is estimated to be $19,980, while the COA for a full-time student living off-campus is estimated to be $30,569. The COA reflects full-time attendance and will be prorated based on actual enrollment.

CAMPUS SAFETY

Students Right-to-Know and Campus Security Act

In compliance with the Students Right-to-Know and Campus Security Act of 1990 (Clery Act) and to ensure a safe, secure environment, the College has adopted the following procedures:

A. Students and staff should report serious crimes and emergencies, i.e., fire/medical, occurring on campus to the Campus Safety Department, or call 911. When using an on-campus phone or Emergency Phone, call 27777. Campus Safety may be contacted in the 1500 Building or by calling ext. 27080 during regular business hours. The Campus Safety Department is located at the west side of the campus off Lemon St.

In most cases, a Campus Safety staff member will respond to the scene and will complete a Fullerton College Incident Report. If necessary, the Fullerton Police Department will be contacted.

The Violence Against Women Act (VAWA) requires reporting of dating violence, domestic violence, stalking, and sexual assault to Campus Safety and the Fullerton Police Department.

B. Only staff members are authorized to have keys to buildings, and no students are to have access to campus facilities without staff supervision. Security problems should be reported to the Campus Safety Department.

C. The Campus Safety Department has the authority to enforce the campus Code of Conduct, under the Education and Penal Code of the State of California; and according to the Education Code is the liaison with local police and Sheriff’s Department in all cases of criminal actions. The campus emergency procedures publication states that students and staff should make a prompt and accurate report to the Campus Safety Department in the event of an emergency.

D. Campus programs which inform students and employees about being responsible for their own safety and the safety of others include:
   1. Emergency procedures publication posted widely on campus.
   2. Notices which are distributed periodically to all staff members including Campus Safety internet site.
   3. Periodic articles in the student newspaper on safety-related issues.
   4. Programs presented by the Associated Students.
   5. Staff Development programs.

E. The Student Code of Conduct and the State Penal Code prohibit the possession, use, and sale of alcoholic beverages and illegal drugs on campus, except as specified in the Education Code.

SECURITY ESCORTS

Campus Safety Officers can be contacted 24/7 for escort service on campus. Students or staff can contact Campus Safety Officers by using the campus emergency phones or by dialing (714) 992-7777. An officer will respond to your location and escort you anywhere on campus.

DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICY

The Federal Government has mandated that as of October 1, 1990, there will be no drug usage by students, staff or faculty on college campuses anywhere in the United States.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, use or control substances at all District worksites and/or while in the performance of District business or attending a District event or program.

The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226) amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

Compliance for Employees

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the workplace or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

Compliance for Students

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possessing, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.

Legal Sanctions Under Federal, State and Local Laws are available in the following locations:

1. Student Activities Office, 200 Bldg, Room 214
2. Campus Public Safety Department, 1500 Bldg

Alcohol/Drug Abuse Counseling, Treatment, Rehabilitation Information

Personal counseling and complete referral information is available for students in the Student Health Center.
STANDARDS OF STUDENT CONDUCT AND DISCIPLINE POLICY

The standards of student conduct and disciplinary action for violation of Board Policy 5500 were approved by the NOCCCD Board on January 28, 2003, with the last revision approved November 28, 2017, to be in compliance with Sections 66300, and 66301 of the State Education Code and ACCJC Accreditation Standards.

1.0 Standards of Student Conduct

For purposes of this policy, the term “District” as used herein means the North Orange County Community College District, Cypress College, Fullerton College, North Orange Continuing Education, the Anaheim Campus, and other entities operated by, or property under the control of, the North Orange County Community College District.

Students enrolling in the programs and services of the North Orange County Community College District assume an obligation to conduct themselves in a manner compatible with the function of the Colleges and North Orange Continuing Education as educational institutions. A student who violates the standards of student conduct shall be subject to disciplinary action including, but not limited to, the removal, suspension or expulsion of the student. Misconduct, which constitutes “good cause” for disciplinary action includes, but is not limited to, the following:

1.1 Disruptive behavior, willful disobedience, habitual profanity or vulgarity, the open and persistent defiance of the authority of, or persistent abuse of, District personnel, or violating the rights of other students.

1.2 Failure to identify oneself when requested to do so by District officials acting in the performance of their duties.

1.3 Cheating, plagiarism in connection with an academic program (including plagiarism in a student publication), or engaging in other academic dishonesty.

1.4 Dishonesty, forgery, alteration, or misuse of District documents, records, or identification, or knowingly furnishing false information to the District.

1.5 Misrepresentation of oneself or of an organization to be an agent of the District.

1.6 Causing, attempting to cause, or threatening to cause physical injury or physical or verbal abuse or any threat of force or violence, to the person, property, or family of any member of the college community, whether on or off District property as defined above.

1.7 Willful misconduct which results in injury or death to a student or to District personnel, or which results in the cutting, defacing, or other damage to any real or personal property of the District.

1.8 Unauthorized entry into, unauthorized use of, or misuse of property of the District.

1.9 Stealing or attempting to steal District property or private property on District premises, or knowingly receiving stolen District property or stolen private property on District premises.

1.10 Causing or attempting to cause damage to District property, or to private property on District premises.

1.11 Unlawful use, sale, possession, offer to sell, furnishing, or being under the influence of any controlled substance listed in the California Health and Safety Code, section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind, or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code or other State law defining controlled substance while on District property, or at a District function; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in the California Health and Safety Code, section 11014.5.

1.12 Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.

1.13 Possession, sale, use, or otherwise furnishing of explosives, dangerous chemicals, deadly weapons or other dangerous object including, but not limited to, any facsimile firearm, knife or explosive on District property, or at a District function, without prior written authorization of the Chancellor, college president, School of Continuing Education Provost, or authorized designee.

1.14 Engaging in lewd, indecent, or obscene behavior on District property, or at a District function.

1.15 Violation of municipal, state, or federal laws in connection with attendance in programs or services offered by the District, or while on District property or at District-sponsored activities.

1.16 Soliciting or assisting another to do any act (including the purchasing, transporting or consumption of any controlled substance), while under the supervision of a District official, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.

1.17 Attempting any act constituting cause for disciplinary action as identified in the above sections of this policy.

1.18 Sexual assault or sexual exploitation regardless of the victim’s affiliation with the District.

1.19 Committing sexual harassment as defined by law or by District policies and procedures.

1.20 Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.

1.21 Engaging in physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student’s academic performance, or District employee’s work performance, or of creating an intimidating, hostile or offensive educational or work environment.

1.22 Engaging in physical or verbal disruption of instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on District property.

1.23 Stalking, defined as a pattern of conduct by a student with intent to follow, alarm, or harass another person, and which causes that person to reasonably fear for his or her safety, and where the student has persisted in the pattern of conduct after the person has demanded that the student cease the pattern of conduct. Violation of a restraining order shall, without more, constitute stalking under this policy.

1.24 Persistent, serious misconduct where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others.

1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.

1.26 Use of the District’s computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.

2.0 No student shall be suspended from a college or North Orange Continuing Education program or expelled unless the conduct for which the student is disciplined is related to college, North Orange Continuing Education or District activity or attendance.

3.0 Any violation of law, ordinance, regulation or rule regulating, or pertaining to, the parking of vehicles, shall not be cause for removal, suspension, or expulsion of a student.

4.0 The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of law. The procedures shall identify potential disciplinary actions including, but not limited to, the removal, suspension or expulsion of a student.

5.0 The Chancellor shall establish procedures by which all students are informed of the rules and regulations governing student behavior.
CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST  
(Education Code section 68130.5, commonly known as AB 540  
Effective Jan. 1, 2018)

INSTRUCTIONS
Complete and sign this form to request exemption from nonresident tuition charged to nonresident students. Once determined to be eligible, you will continue to receive the exemption as long as you fulfill eligibility requirements or until the College or University no longer offers this exemption. Applying for this exemption does not alter your responsibility to pay, by the campus deadline, any nonresident tuition and associated fees that may be due before your eligibility is determined.

APPLICATION

Name___________________________ College Student ID: ____________________________

I, the undersigned, am applying for the California Nonresident Tuition Exemption at (specify the College) __________________________ and declare that the following apply to me.

1.) Check one box only:

- ☐ I have a current nonimmigrant visa (not including a T and U visa) as defined by federal law.  
  *Nonimmigrants have been admitted to the U.S. on a temporary visa and include, but are not limited to, foreign students (holding F visas) and exchange visitors (holding J visas).*

- ☐ I have a current nonimmigrant T or U visa as defined by federal law.

- ☐ I do NOT have a current, nonimmigrant visa as defined by federal law.  
  *This includes, among others, U.S. citizens, permanent residents, DACA recipients, and individuals without current or valid immigration status.*

2.) Select all items that apply to you from each column (must satisfy at least one from each column to be eligible):
