# Frequently Asked Questions

### **How will Winter Intersession affect financial aid for students?**

More information about Financial Aid for students for Winter Intersession is available at [Winter-Intersession-2023-2024.pdf \(fullcoll.edu\)](#).

### **Do Winter Intersession courses count toward the requirement to enroll in at least 12 units for the Spring 2024 semester for Promise Students?**

No. Promise students are required to take 12 units per Fall and Spring semester (there are exceptions for students receiving DSS Services and were recommended to take less than 12 units). Promise students can enroll in Winter Courses, but will be responsible for Winter enrollment fees.

### **How will prerequisite courses during Winter Intersession impact Spring 2024 registration?**

Students will not be able to register without support from A&R into a Spring 2024 course if the prerequisite course was completed during Winter Intersession. Students will need to contact A&R for assistance in registering for the Spring course.

### **How will the Winter Intersession courses appear on student transcripts?**

Currently, Winter Intersession courses will appear under the Winter/Spring 2024 term on student transcripts.

### **Will the library be open during the Winter session?**

Yes! We plan to be open Mon-Thu from 9 am - 2 pm. We will be offering full services both remotely and in person.
