PAC

Purpose:

PAC serves as the central participatory governance council of the college. PAC's purpose is to receive and review college policy recommendations from all college groups, to obtain constituent opinions, to advise the president regarding policy recommendations, to provide a venue for college-wide initiatives and to mediate communication within the college community. All broad-based college procedural changes go to PAC for discussion before the president acts.

To facilitate our work together, we agree to the following commitments:

- Commit to open, honest and constructive dialogue.
- Listen to the perspectives of others and seek understanding.
- Create and maintain a culture of trust, honesty, support and confidentiality.
- Respect each other's lived experiences, perspectives and ideas.
- Prioritize projects in the best interest of the College community through Access, Community and Learning.
- Collaborate on shared goals with a growth mindset for continuous improvement.
- Be present, engaged and prepared.
- Following the meeting, speak positively and support the work of the team.
- Have fun.
