Resource Guide  
**SUMMER** 2025

# Fullerton College

Dear Fullerton College Community,

Summer is a great time to continue making progress toward your educational goals while enjoying the sunshine and time with your loved ones. I encourage you to take advantage of our variety of in-person and online course options to stay on track.

Beyond the classroom, summer is also an excellent opportunity to gain career experience. Consider pursuing a work-based learning opportunity such as an internship or job shadowing someone in your dream field. Many of our students also explore summer research programs, applying their skills and deepening their learning in meaningful ways.

I know that many of you take on additional work during the summer to help with expenses. If finances are a concern, I encourage you to visit our Financial Aid Office to explore available state and federal aid, as well as scholarship opportunities.

At Fullerton College, we recognize that life challenges can sometimes make it difficult to stay in school. If you're facing obstacles, please reach out to a Student Success Advocate. They can help connect you with support and explore options to ensure you stay on your educational path. Learn more about them on their website.

A good balance of summer fun, sunshine, and academic progress is the way to go. As always, thank you for choosing Fullerton College. Stay cool, Hornets!

Siempre Fullerton College,

Dr. Cynthia Olivo  
President

Applications for admission are accepted for:

- High school graduates, high school proficiency, GED recipients, or students at least eighteen years of age.
- Title IV Financial Aid requirements differ. For Title IV financial aid, a high school diploma, high school proficiency, or GED is required.
- For more information: view the Financial Aid Consumer Brochure on the Financial Aid website: <https://financialaid.fullcoll.edu/wp-content/uploads/sites/77/2024/07/2024-2025-FA-Consumer-Brochure-Final-WR.pdf>

For information on the application procedure for International Students, contact the International Student Center at [isc@fullcoll.edu](mailto:isc@fullcoll.edu), 1-714-992-7078, or visit <https://isc.fullcoll.edu/future/admissions/>.

## Add Codes

The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the class to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

## Attendance/Participation

Attendance/Participation at the first class meeting is required. Failure to attend **may** result in the instructor dropping the student from the class.

## Campus Holds

Fullerton College may withhold diplomas, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

## Class Cancellations

Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

## Corequisites (Concurrent Enrollment)

A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

## Duplicate Course

Students may not register for two classes with the same course number and title.

## Maximum Units/Hours

A maximum unit load for any student is 21 units per term. Students may register in more than 21 units only with a counselor's approval.

## Military Withdrawal

A student called to military service during a semester in progress should complete and submit an Extenuating Circumstance petition to have a "WM" (military withdrawal) noted on the student's academic transcript. A copy of military orders is required. Go to <https://admissions.fullcoll.edu/extenuating-circumstances-petition/>.

## Open Enrollment

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

## Pass/No Pass

If a course is listed in the College Catalog as "Letter Grade or Pass/No Pass Option," a student may choose to take the course with a P/ NP grade. Log in to myGateway, under the Registration heading, go to Pass/No Pass and Variable Units. Once the request is submitted, the grading option is not reversible.

## Pay Your Fees

Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (deducted from your tax refund).

**Important Update:** Students who are charged non-resident tuition are required to pay their balance due within 72 hours of registering or they will be dropped.

## Petitioning Closed Classes

Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through **myGateway**. Students are not officially registered until the class has been added online.

## Prerequisites

A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

## Privacy Release

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student's prior consent, items in the category of public information, which include the student's name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student. Any student who wishes to withhold directory information must submit a "Disclosure of Personal Information" form to the Admissions and Records Office.

Go to <https://admissions.fullcoll.edu/downloadable-forms/>.

Directory information will then only be provided to individuals who have a current written, and signed release from the student.

## Schedule/Bill Receipt

The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in myGateway. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student's Schedule/Bill receipt prior to providing services.

## Time Conflict

Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, *even if the instructor will allow it*. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

## Variable Unit Courses

Units may be increased/decreased no later than the withdrawal deadline of the course. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

## Withdrawal Policy

While an instructor may drop a student for excessive absences, it is the student's responsibility to officially withdraw from a class. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through myGateway.

## Full-term Classes

**First two weeks of the term:** The student or the instructor may initiate a drop from the course. No notation shall be made on the student's academic record. For the exact date, refer to the "Calendar of Important Dates" in this class schedule.

**3rd week through 12th week:** The student or the instructor may initiate a withdrawal. A "W" shall be recorded on the student's academic record.

## Short-term Classes

For all short-term classes, refer to the online searchable class schedule or your schedule/bill for specific course deadline dates. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice to comply with State accounting regulations.

## Open Entry Classes

Whenever possible, Open Entry classes shall be treated according to the regulations for Full-Term Classes and Short-Term Classes.

**Failure to officially withdraw from a class may result in a grade of F or NP.**

## PAY YOUR FEES

- **Fees are due IMMEDIATELY.** Fullerton College does not bill for unpaid registrations.
- Pay by credit card on myGateway.
- Check/money order payments can be paid to the Bursar's Office or Admissions and Records.
- Payment Plans are available for a one-time enrollment fee (per term).
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Drop for Non-Payment Policy has been updated. Students who are charged non-resident tuition are required to pay their balance due within 72 hours of registering or they will be dropped.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (tax lien).

# Course Repetition Policy

Please read the following, it may impact your schedule planning!

## IF YOU ARE REPEATING A COURSE DUE TO A SUBSTANDARD GRADE OR W (FOR A NON-REPEATABLE COURSE):

- ▶ Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- ▶ Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
- ▶ When repeating a course with a substandard grade and submitting a Course Repeat Adjustment Request, the last grade earned will count toward the grade point average and previous grade(s) will be discounted or forgiven.
- ▶ Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all Coursework that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.
- ▶ Petitions may be filed with the Admissions and Records Office; refer to the Admissions and Records home page and navigate to "FORMS" to access and submit the online petition.

Students who successfully complete a course with an approved Course Identification (C-ID) number or who have exceeded the maximum number of attempts allowed as outlined by Title 5 of the California Code of Regulation may not enroll in any other course within the district with the same C-ID. Courses that are deemed comparable based on a matching C-ID number may not be used to exclude a substandard grade of another course. Students are encouraged to check with a counselor to determine how C-ID designated courses fit into their educational plans.

## IF YOU ARE REPEATING A COURSE THAT ALLOWS REPEATS, WHETHER YOU RECEIVED A GRADE OR W:

- ▶ A course may only be repeated the number of times indicated in the catalog. Once a student has completed the maximum number of allowable repetitions, a student may be blocked from registering in this course.
- ▶ Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
- ▶ Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses). If a student receives a W in one of the courses within a group, they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.

**NOTE:** If you are not on track to pass a course you are currently taking, you may not enroll in the same course in the following semester until the substandard grade is officially recorded on your official transcript.

### INCOMPLETE (I) GRADES

If an Incomplete (I) is received, the student cannot re-enroll in the course. Specified coursework must be completed no later than one year from the end of the term with the instructor who assigned the incomplete grade.

### IN PROGRESS (IP) GRADES

If an In Progress (IP) is received, the student must re-enroll in the course the following term.

**FOR ADDITIONAL INFORMATION PLEASE REFER TO THE "COURSE REPETITION" PAGE IN THE "ACADEMIC INFORMATION" SECTION OF THE FULLERTON COLLEGE CATALOG.**

<https://catalog.nocccd.edu/fullerton-college/academic-information/course-repetition/>

### Student Responsibility to Drop Classes

- If you decide not to participate in classes for which you have registered, it is your responsibility to officially drop within published deadlines.
- If fees have not been paid, students who drop classes after the refund deadline will incur a financial obligation to the college and an administrative hold will be placed on their student record until fees are paid.

### Important Student Email Information

- Students have reported undelivered, delayed, and/or blank emails from various email providers.
- We **strongly suggest** that students frequently monitor their "Announcements" in myGateway for messages regarding registration and waitlisting.
- The college is NOT responsible for undelivered, delayed, or incomplete emails from ANY email provider.

# Residency for Tuition Purposes

(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. It is the student's responsibility to provide documentation that clearly demonstrates both physical presence and the intent to establish California residence. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident for tuition purposes. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of intent to make California one's home. Generally, California residency is established by one of the following:

1. If the applicant is under 19 years of age, the applicant and the applicant's parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
2. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students with a visa status which does not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval) must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

## Factors Considered to Determine Residency

A person's presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- ▶ Being licensed to practice a profession in California
- ▶ Filing California State Income taxes as a resident
- ▶ Having an active checking and/or savings account in California
- ▶ Having paid nonresident tuition in another state
- ▶ Owning residential property in California for personal use
- ▶ Possessing a California Driver's License and vehicle registration in California
- ▶ Showing proof of employment in California
- ▶ Possessing a divorce decree issued in California
- ▶ Voting in California
- ▶ Showing California as "home of record" on military records (DD214 or Leave and Earnings Statement)
- ▶ Being an active military member, military veteran, or a military dependent

**IMPORTANT:** Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

## Nonresident Student

A student's residence status is determined at the time of application. A student classified as a nonresident must pay nonresident tuition in addition to the enrollment fee and other fees (including a Capital Outlay Fee per Education Code 76141) for credit classes.

## Assembly Bill 540

Any student, other than one with a non-immigrant visa status, who meets all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted a T or U visa status are also exempt per AB1899).

The requirements are:

- ▶ Attended high school in California for three or more years,
  - OR** Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance,
  - OR** Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years,
  - OR** Attained credits earned in California from a California adult school equivalent to three or more years of full-time credit (or the part-time equivalent). This is equivalent to 1260 hours,
  - OR** Attained credits earned in California from a California Community College equivalent to three or more years of full-time credit (or the part-time equivalent). This is equivalent to 72 semester units or 108 quarter units.
- ▶ Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term,
  - OR** Attained an associate degree from a California Community College,
  - OR** Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.

► In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

► All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available on the Admissions and Records website at

<https://admissions.fullcoll.edu/residency/#ab540>

The affidavit is also included in the Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).

► Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

## Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the Federal Immigration and Nationality Act and demonstrates a financial need for the exemption.
- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.
- Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

## Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption, i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most non-immigrant visas.

## Assembly Bill 1232

(amends Section 76140 of the Education Code)

This bill amends existing nonresident tuition for a student who enrolls in an English as a Second Language (ESL) course if they are (1) a recent immigrant; (2) a recent refugee; or (3) a person who has been granted asylum by the US. This exception applies only to individuals who, upon entering the US settled in California and have resided in California for less than 1 year. Only the tuition fee for the ESL course is exempt.

Check for class prerequisites and holds early!

## Clear All Course Prerequisites

Before you register for classes, check to see if the class requires a prerequisite. All class prerequisites must be cleared prior to enrollment by a counselor. Be sure to plan ahead and take care of any prerequisite class clearances in advance to avoid delaying your registration. A prerequisite is a requirement that must be met **BEFORE** enrollment in a restricted course may be permitted.

## How to Clear a Prerequisite:

You are automatically cleared if:

- ▶ You are currently enrolled in the appropriate prerequisite course at Cypress College or Fullerton College and are trying to register for a future semester term.
- ▶ You have completed the appropriate prerequisite course at Cypress College or Fullerton College.
- ▶ You have tested into a particular course level in ESL, by taking the appropriate placement test.
- ▶ For Fullerton College chemistry students: you have taken the Chemistry assessment test at Fullerton College and received the appropriate score for placement. You can also be cleared by:
- ▶ Providing high school transcripts, transcripts from another college and/or other appropriate documentation indicating completion of the prerequisite course. It is recommended that you take care of any prerequisite class clearances early, as classes will fill up quickly. # Waitlists

## Frequently asked questions regarding waitlists.

### What is a waitlist?

A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does **NOT** guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

### How do I place myself on to a waitlist?

Log on to myGateway, go to "Shortcuts" and click "Register for Classes." If the class you have chosen is closed you will be given the option of adding to the waitlist if waitlist seats are available.

### Can I add to more than one waitlist?

Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

### How can I monitor my waitlist position?

Log on to myGateway, go to "Tools," click "Registration," and click "Waitlist Status." If a seat is available for you to attempt to add, you will see a date and time in the "Notification Expires" field.

### How will I know if a seat in the class becomes available while I am on the waitlist?

If a seat becomes available, you will receive a "Notification" in myGateway. We strongly recommend that you check your Notifications daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file. (See the following email notice)

- Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the "Notifications" section in myGateway for messages regarding waitlisting.

*The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.*

### How do I add the class once I am notified via "Notifications" or Waitlist email notification?

Log on to myGateway, go to "Tools," click "Registration," and go to the specific waitlisted class in your list of classes to register for the course.

### How long do I have to add the class when a seat is available and what if I miss my 48-hour deadline to add?

Once a seat becomes available you have 48 hours to add the class OR until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

### What if I am on a waitlist and no seat becomes available before the first class meeting?

Waitlisting does NOT guarantee enrollment into any class. You must attend the first class meeting. Your name will appear on the instructor's roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student's responsibility to officially register into the class through myGateway.

### What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?

**IMPORTANT** — You cannot add a course with an Add Code until the first class meeting. Log on to myGateway, go to "Tools," click "Registration." Go to the specific waitlisted class and follow the prompts to enter the 6-digit Add Code. It is the student's responsibility to verify class enrollment, check your schedule/bill to make sure you are officially registered into each course.

### 1. Course Reference Number (CRN):

A CRN (Course Reference Number) is a unique five-digit code assigned to each course section at a college or university. It is used for course identification, registration, and scheduling.

### 2. Course Dates (Starting Date & Ending Date):

A course start date is the first official day a class begins for a given term or semester. It indicates when students are expected to start attending lectures, participating in discussions, and completing coursework.

### 3. Course Meeting Times & Location:

A course meeting time refers to the specific days and times a class is scheduled to take place.

**Meeting Days are marked by letters:** "M" for Monday, "T" for Tuesday, "W" for Wednesday, "Th" for Thursday, "F" for Friday, "S" for Saturday, and "U" for Sunday.

**Meeting Times:** Individual classes will meet at the listed start times.

**Meeting Location:** The meeting location for each class is represented by two numbers: the first number is the building number, while the second number is the specific room number. In the example above, "1000" represents the 1000 Building, and "1023" represents room 1023 within the 1000 Building.

### 4. Course Credits

Course credits (also known as credit hours or units) represent the amount of academic work required for a course. They indicate the time commitment and value of a class toward degree completion. Typically, one credit equals one hour of class time per week over a semester. Most college courses are 3 to 4 credits each.

### Other Listed Information

**Class Status:** A course status indicates the current availability or condition of a course in the registration system. It helps students and faculty track whether a course is open, full/closed, or canceled.

**Campus:** Refers to the physical or virtual location where a course is offered. Be sure to register for courses at the campus you wish to attend!

**Section:** Refers to a specific offering of a course within a term or semester. Since popular courses may have multiple sessions available, each section has a unique identifier to distinguish it from others.

## Fullerton College Cosmetology Program

The Cosmetology Program prepares students to become eligible to take the California State Board of Barbering and Cosmetology examination. Eligibility for the state exam requires continuous attendance, completion of the program hours and course work, and completion of the state mandated course work.

**Fullerton College will continue the approved 1,600-hour program.** At this time, a 1,000-hour program is not available. Fullerton College will issue a proof of training endorsement upon successful completion of the current 1,600-hour program per State Board rule.

Learners enrolling in the program must purchase a student lab kit and Pivot Point textbooks. The cost of the kit and textbooks is approximately \$3,483 not including sales tax. The required books cost approximately \$644 not including sales tax. The required kit is divided into two modules. The first kit module costs approximately \$1,545 includes sales tax. This module must be purchased **one or two weeks before the start of class**. The second module of the kit is to be purchased two weeks before completing the first level of the Cosmetology Program. The second module costs approximately \$1,294 includes sales tax. Both modules will be inventoried with the learners to ensure all of the parts of the kit are included (**kit and book costs subject to change**).

Uniforms and close-toe shoes are required by the State Board. BEFORE PURCHASING A UNIFORM AND SHOES LEARNERS MUST GET THE APPROVAL BY THE INSTRUCTOR. Other expenses for materials totaling approximately \$600 will be needed during the program.

It is important that cosmetology learners register early in order to receive information before the first day of school.

## Attention New Welding Program Students

**New students should enroll in  
WELD 091AF and or WELD 100 F**

## Math Online and Hybrid Courses

All math classes cover the same material no matter how they are offered. ONLINE classes require the use of a web-based course management system, such as MyMathLab. These are not self-paced classes. Students will need to keep up with the schedule set by the professor and check regularly for any updates. Each class will have dated assignments and tests, and students will be expected to meet those deadlines. Students will be required to meet for at least two in-person activities for all online courses.

Online classes work well for highly self-motivated students. HYBRID classes meet partially on campus, in addition to accessing online instruction, resources, and assignments.

## Questions about math placement?

- Confused about which math class to take?
- Want more information on taking math classes using online or hybrid format?
- Want information on support courses?

Be sure to work with your counselor to ensure you enroll in the appropriate classes for your major and transfer plans. You can also contact the Math Department at: [math@fullcoll.edu](mailto:math@fullcoll.edu).

## Online Math Resources

Most math classes require the use of online homework programs which come with a new textbook, or which can be purchased separately. These programs also include tutorials and other resources and can be accessed from computers on campus or from your computer at home with high speed internet access. You may wish to contact your instructor or the Math Department ([math@fullcoll.edu](mailto:math@fullcoll.edu)) before classes begin to find out what online resources are used and any technology requirements for the class.

## Mathematics Course Sequence

This sequence shows the progression of math courses that students should take in order to complete their math requirement for the associate degree or to transfer. The type of mathematics you will be required to complete depends upon your major and/or transfer institution. The starting course can vary based on the results of the college assessment process which includes high school grades, college coursework, and other factors. **Please see a counselor before enrolling to discuss placement and the mathematics sequence.** You may also email [math@fullcoll.edu](mailto:math@fullcoll.edu) or reference <https://www.assist.org>.

Computer Lab Room 117

Mon–Thurs 8am–4:30pm

Fri: Closed

<https://financialaid.fullcoll.edu/qless>

<https://financialaid.fullcoll.edu>

Fullerton College offers financial assistance to eligible students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Loans, Federal Work-Study, and the California College Promise Grant (CCPG).

- Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at <https://studentaid.gov/h/apply-for-aid/fafsa>. If you are undocumented or a non-resident student who qualifies for non-resident exemption under AB 540, complete the California Dream Act Application (CADAA), in lieu of the FAFSA, at <https://dream.csac.ca.gov/landing>. (Citizens and eligible non-citizens that are eligible for AB 540 must complete the FAFSA.)
- The best time to apply is between October 1 to March 2; however, you may apply at any time.
- To complete the financial aid process, follow the Steps to Financial Aid information (<https://financialaid.fullcoll.edu/resources/#publications>).
- Apply for the California College Promise Grant (CCPG) by completing a financial aid application (FAFSA or CADAA, whichever is applicable) or by submitting the CCPG application on CCC Apply. Please note that the CCPG only covers enrollment fees; students must pay health fees and any material fees.
- Ensure that you are meeting the Satisfactory Academic Progress (SAP) policy to remain eligible for financial aid (<https://financialaid.fullcoll.edu/resources/#publications>). SAP is determined at the end of each semester for the subsequent semester.
- Federal regulations on State Authorization require a student to be in residence in the state in which their College/University is located, in order to be eligible to receive Title IV Financial Aid, unless the College/University has an authorization to operate in the state of the student's residence. Currently, Fullerton College does not have authorization for any state other than California. This law went into effect on July 1, 2020. If continuing students intend to remain living in their home state and take online classes at Fullerton College, then they will remain ineligible for Title IV Financial Aid. All new students are required to be in California, in order to receive Title IV Financial Aid at Fullerton College at this time.
- The cost of attendance (COA) at Fullerton College will vary depending on the student's status of living at home with parent or living off-campus. The academic year COA for a full-time student (12 units or more) living at home with parent is estimated to be \$21,678, while the COA for a full-time student living off-campus is estimated to be \$32,715. These figures reflect a 9-month COA and will later be updated based on actual enrollment. The COA reflects full-time attendance and will be prorated based on actual enrollment.

# College Policies/Procedures: Courses

Information regarding course audits, course progression, grades, withdrawals, and student transcripts.

## Auditing Courses

An enrolled student who intends to audit a class must file a "Petition to Audit" form by the add deadline of the class. Go to <https://admissions.fullcoll.edu/auditing-courses/>. The audit fee is \$15 per unit. Refer to the College Catalog for more details.

## Course Progression

A student is expected to take courses on an accepted progressive basis. The student will not receive credit for classes which are considered lower in degree of advancement than those already taken.

## (EW) Excused Withdrawal

Excused Withdrawal occurs when a student is permitted to withdraw from course(s) due to specific events beyond the control of the student and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances beyond the control of the student affecting his/her ability to complete a course(s).

Students must submit an Extenuating Circumstance Petition to the Admissions & Records Office. The EW grade is not counted in calculation of probation or dismissal and is not counted as an enrollment attempt for purposes of course repetition. It is recommended that students meet with a counselor to discuss options and how an EW may affect their academic goals.

Please note that the EW grade is counted in the Federal financial aid Satisfactory Academic Progress Calculations. A student should consult with the financial aid staff regarding any impact. Title 5 Sections 55024 (See AR 5075 Course Adds, Drops and Withdrawals).

## Grades

Grades are available via myGateway approximately two weeks after the class ends. Log in to myGateway, go to Tools > Student Tools > Student Records.

### Incomplete (I) Grades

If an Incomplete (I) is received, the student cannot re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

## Matriculation Appeals Procedure

A Matriculation Appeals Petition may be filed for any of the following concerns:

### Review of Placement Decisions

The student must make an appointment to see the Dean of Counseling. If the Dean of Counseling is unavailable within three (3) working days, the student shall take the appeal directly to the Dean of Humanities or Dean of Mathematics as appropriate. The student must include documentation and/or information to support the appeal.

## Student Rights to Challenge Prerequisites and/or Corequisites

Section 55003 of Title V states: Any prerequisite or corequisite may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the district's process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
3. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
4. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

## Request to Exclude D or F Grades

If a student has previously received a D or F grade in a course taken at Fullerton College and repeats exactly the same course and earns a higher letter grade, the student may petition to exclude the D or F grade from his or her cumulative grade point average. Petitions are available online at:

<https://admissions.fullcoll.edu/downloadable-forms/>.

Refer to the College Catalog for complete information.

## Student Information

# California State University (CSU) General Education

## Approved Course List 2024–2025

**IMPORTANT NOTE:** Courses on this list are approved for the academic year 2024–2025 which begins with the Fall semester, 2024. This list is valid through Summer 2025. New courses for 2024–2025 are listed in **bold**.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor's Office for the 2024–2025 academic year. There are no catalog rights for CSU certification.

Previous CSU General Education Approved Course Lists are available at [www.assist.org](http://www.assist.org). Information is also available at the Fullerton College Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor. Fullerton College will certify courses taken at other California community colleges in the area designated by the offering college. Courses taken at California four-year colleges or accredited out-of-state two year or four-year colleges will be certified if they are equivalent to courses on the CSU GE course list. Courses from foreign institutions cannot be used in the certification process.

**Certification is not automatic and must be requested** after the completion of the last term prior to transfer. This request should be made in the Admissions and Records Office and will occur when final transcripts are sent to the CSU. Students requesting CSU GE "pass along" certification must complete at least 12 transferable units at FC.

### Fullerton College Transfer Counseling

#### Begin Your Transfer Planning Now!

All Fullerton College counselors provide transfer counseling, but to provide you with the most accurate educational plan, we need you to answer these two important questions:

1. What is your transfer major?
2. Which four-year colleges/universities do you intend to apply for transfer?

The answer to these questions will determine which general education pattern and major course preparation is right for you! The following Fullerton College departments provide transfer counseling:

- Counseling Center
- Transfer Center

Additionally, transfer counseling guidance is available if you are part of the following programs:

- EOPS/CARE/FYSI
- Cadena Cultural Center
- Umoja Community Center
- Veterans Resource Center

Completion of the IGETC will permit a student to complete their lower division G.E. requirements to either the California State University (CSU) or University of California (UC) system. Courses on this list are approved for the academic year 2024–2025 which begins Fall Semester, 2024. This list is valid through Summer 2025. New courses are listed in **Bold**. It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. **A grade of “C” or higher is required in ALL coursework used for IGETC certification.**

**IMPORTANT NOTE:** Students enrolled in high unit majors (i.e., architecture, computer science, engineering, sciences) are frequently recommended not to use IGETC to meet general education certification but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop an academic educational plan.

It is recommended that all IGETC requirements be completed prior to transfer. If you are unable to complete one or two IGETC courses in the final term before transfer, you may be eligible to complete IGETC after transfer, providing that those courses are not among those required for admission. See your counselor for more information.

Certification is not automatic, and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions and Records Office.

# Standards of Student Conduct and Discipline Policy

The standards of student conduct and disciplinary action for violation of Board Policy 5500 were approved by the NOCCCD Board on January 28, 2003, with the last revision approved November 28, 2017, to be in compliance with Sections 66300, and 66301 of the State Education Code and ACCJC Accreditation Standards.

Misconduct, which constitutes "good cause" for disciplinary action includes, but is not limited to, the following:

Violation of a restraining order shall, without more, constitute stalking under this policy.

- 1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.
- 1.26 Use of the District's computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.

- 3.0 Any violation of law, ordinance, regulation or rule regulating, or pertaining to, the parking of vehicles, shall not be cause for removal, suspension, or expulsion of a student.
- 4.0 The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of law. The procedures shall identify potential disciplinary actions including, but not limited to, the removal, suspension or expulsion of a student.
- 5.0 The Chancellor shall establish procedures by which all students are informed of the rules and regulations governing student behavior.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

**On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.).** The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, or use controlled substances at all District worksites and/or while in the performance of District business or attending a District event or program.

**The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226)** amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

## **Compliance for Employees**

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the work-place or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

## **Compliance for Students**

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.

## Campus Safety

### Students Right-to-Know and Campus Security Act

In compliance with the Students Right-to-Know and Campus Security Act of 1990 (Clery Act) and to ensure a safe, secure environment, the College has adopted the following procedures:

- A. Students and staff should report serious crimes and emergencies, i.e., fire/medical, occurring on campus to the Campus Safety Department, or call 911. When using an on-campus phone or Emergency Phone, call 27777. Campus Safety may be contacted in the 1500 Building or by calling ext. 27080 during regular business hours. The Campus Safety Department is located at the west side of the campus off Lemon St.  
In most cases, a Campus Safety staff member will respond to the scene and will complete a Fullerton College Incident Report. If necessary, the Fullerton Police Department will be contacted. The Violence Against Women Act (VAWA) requires reporting of dating violence, domestic violence, stalking, and sexual assault to Campus Safety and the Fullerton Police Department.
- B. Only staff members are authorized to have keys to buildings, and no students are to have access to campus facilities without staff supervision. Security problems should be reported to the Campus Safety Department.
- C. The Campus Safety Department has the authority to enforce the campus Code of Conduct, under the Education and Penal Code of the State of California; and according to the Education Code is the liaison with local police and Sheriff's Department in all cases of criminal actions. The campus emergency procedures publication states that students and staff should make a prompt and accurate report to the Campus Safety Department in the event of an emergency.
- D. Campus programs which inform students and employees about being responsible for their own safety and the safety of others include:
  1. Emergency procedures publication posted widely on campus.
  2. Notices which are distributed periodically to all staff members including Campus Safety internet site.
  3. Periodic articles in the student newspaper on safety-related issues.
  4. Programs presented by the Associated Students.
  5. Staff Development programs.
